Subject: Bridgeland HS - No Place for Hate

Dear Parents,

Bridgeland HS strives to have every child on our campus feel valued and part of our educational community. We believe this is important in order to accomplish our mission of educating all our students. We are a designated "No Place for Hate campus" and have been for the past two year. Our next No Place for Hate school wide activity will be on Wednesday, February 17, 2021 during advisory. The topic will cover implicit bias. We will be showing the following video and then having a class discussion under the direction of the advisory teachers. Please view the video and talk to your child about this topic.
