COMMUNITY MESSAGE

In 2018, Alpine School District’s theme was Every One Matters. In 2019, the ASD’s theme was Shine Alpine! And in 2020, ASD’s theme is One community, one vision! The powerful words within these themes over the years have sent a strong message; one of mutual respect, inclusion, dignity, and love!

Often times in education we hear the message: be a change agent; one that as our district’s mission states, educates all students to inspire learning and protect our freedoms, one that speaks up when injustices are occurring in plain sight and one that creates a culture of inclusivity, dignity and love for all students. As educators, the work starts with each of us. The conversations start with each of us. The change starts with each of us.

Let’s engage in this conversation. This is an opportunity to exercise the aspirations contained in our Vision for Learning, particularly communication, collaboration, character, citizenship. Below are some resources for building a culture of mutual respect, inclusion, dignity, and love.
