Mike,

I hope all is well. Thank you for the opportunity to comment.

I am honored and humbled to serve on the National Assessment Governing Board. As a lifelong educator, student achievement and student success has been at the core of my professional and volunteer endeavors. I am committed to maintaining the integrity and independence of The Nation's Report Card to guide public schools in the U.S. in ongoing student achievement initiatives and transformative efforts toward the realization of a promising future for all of the students we serve.

Regards,

Viola
