

Dear, BMS Families:

Panorama School Climate and Culture Survey-Fall Communication to Families

We want to hear from our students and families!

Family Survey

During the week of November 15, 2021, families will have the opportunity to provide feedback on school climate and culture on a separate family survey in order to help us gain insight into your perception of our school and district effectiveness. To ensure we continue to provide high quality, rigorous learning experiences that meet the needs of our learners and prepare them for college and career, we need your feedback. To administer these surveys, we have partnered with Panorama Education. Panorama safeguards your privacy, keeping your responses confidential. The survey shouldn't take more than 15 minutes to complete, and will be a valuable source of information for us as we work to make our schools and district as good as they can be.

The topics covered in this family survey are the following:

Family
Family Engagement
School Climate
Barriers to Engagement
Roles and Responsibilities
School Safety

The survey will be open from November 15th to November 23nd. [Please complete a survey for each school your children attend.](#)

We thank you in advance for your thoughtful responses. If you have any questions about the survey administration, please don't hesitate to contact your child's building principal.

Student Survey

The Barrington Public Schools value the social-emotional well-being of our students. As a part of the district's Strategic Plan, students in grades 3-12 will participate in a brief survey two times per year (Fall and Spring). The results of the survey will assist our schools and district in supporting a positive school culture and climate in order to ensure the success of our students. Below are the topics that will be covered by our surveys:

Grades 3-5	Grade 6-12
School Climate	School Climate
Sense of Belonging	Sense of Belonging
School Safety	School Safety
Teacher/Student Relationships	Teacher/Student Relationships

The Fall survey will be given to the students during the week of November 15, 2021. The survey should take about 15 minutes to complete and will take place in the elementary classrooms, during Middle School FAST, and during High School Advisory blocks. Questions about the survey may be directed to your child's principal.
