gouldevans Gould Evans Architects

Gould Evans was founded in 1974 by Robert Gould and David Evans, two former classmates from the University of Kansas School of Architecture who shared a passion for regional architecture and design. They established a general practice firm in Lawrence, Kansas, with strong connections to region and community. From these roots and a driving entrepreneurial spirit, emerged multiple studios in locations across the United States. They were not conceived as branches but as design centers in their own right with the local leadership, flexibility and nimbleness to respond to local opportunities. The original office remains a vibrant studio for young thinkers now working across our practice.

KC Race, Equity & Inclusion Project

The KC Race, Equity and Inclusion Project is designed for individuals like you to understand the factors that have led to current day inequities and helps to put us in position to break down barriers, so that more individuals have the opportunity for success

The workshops are just one part of an emerging community conversation with many other engaged citizens. These workshops are equipping community members with a common understanding of historical and current data trends, a shared language, and the ability to identify policies and practices that need to be addressed. To receive alerts about upcoming events, click the following link and follow KC REI Project.
