" Hi. I have never done this before, but I have also never been so touched by a speaker. I have seen hundreds and you have by far shaped me in the most ways. I don't know why or how, but I am in tears. I have been in such a funk lately, and I just wanted to reach out and tell you how sincerely thankful I am for you and your work. I feel refreshed and energized, and for that thank you. Do not ever stop speaking to people and sharing your message, it has really changed me and I haven't even had 24 hours to take it in. Where were you will be finding a place on my wall, it was just the push I needed. I hope you have a wonderful day and really understand your impact!

Student, Maryland Association of Student Council

With first-hand experience as an educator, Lori L. Hayes is a sought after Leadership Development Specialist dedicated to building an Army of Leaders from the classroom to the boardroom.
