

Milton Academy Student Enrollment Contract for the 2021-22 School Year

Submission Deadline: April 9, 2021

This is to confirm my intention to enroll _____ (full legal name of student) at Milton Academy for the 2021-2022 school year, subject to the following terms:

1. In consideration of acceptance of this enrollment contract (the "Contract") by Milton Academy, I accept responsibility for the Milton Academy account for the **full year**, including full tuition, incidental expenses and any other charges incurred by or on behalf of the student. **I understand that no refund or cancellation will be made of any portion of the full annual tuition and fees under any circumstances, including unforeseen circumstances.** I understand that Milton Academy may decline to accept a Contract for a student whose current tuition and/or other charges are past due.

2. **I understand that optional tuition refund insurance is available**, and that Milton Academy strongly encourages parents to elect coverage. A description of the tuition refund insurance plan is available as part of the online enrollment process. I understand that I must indicate as part of the enrollment process whether I choose to decline coverage.

3. **Tuition will be billed and is payable in two (2) equal installments due in August and January.** Other charges as incurred will be billed on a monthly basis and are due within 30 days. Milton Academy will charge a late payment fee of 1% per month (12% annually) on the unpaid balance. In cases where tuition or other charges are past due, Milton Academy has the right to deny admission to classes, to deny participation in orientation, athletics and other extracurricular activities, to withhold the preparation of reports to parents and/or transcripts to other schools or colleges as permitted by law, and/or to refer the account to a collection agency or an attorney (in which case the signee shall bear all costs and expenses incurred by Milton Academy to collect any outstanding debts, including attorney's fees).

I agree to pay, to the extent permitted by law, Milton Academy's expenses of enforcement and collection of the tuition, fees and related expenses, including, without limitation, attorney's fees and costs.

4. **Milton Academy requires all students to have health insurance with a U.S. insurance company.** I understand that I must provide Milton Academy with the insurance carrier name, the policy number that insures my child, and that I must notify the Health Center if this coverage changes.

5. I agree on behalf of myself and the enrolled student to abide by the rules, regulations and requirements of Milton Academy as from time to time promulgated. In addition, I agree to comply with the expectations as set forth in the Student Handbook and any and all health and safety policies instituted by Milton Academy, including any immunization or vaccination requirements.

6. I understand that, to operate effectively, Milton Academy must have a positive relationship with the student and the parents/guardians of the student. A positive relationship is built on mutual trust, respect and cooperation. Milton Academy reserves the right to dismiss any student whose behavior or lack of cooperation is deemed unacceptable, or whose parents/guardians no longer have a cooperative relationship with Milton Academy, in the judgment of the Head of School.

7. I understand and agree that in the event of a closing of all or part of Milton Academy's campus for any reason including health, safety or other circumstances outside of Milton Academy's control, such as an epidemic, pandemic, extreme weather, natural or man-made disaster, acts or threatened acts of terrorism or war, or other force majeure events, Milton Academy may provide educational instruction through alternate learning methods, including but not limited to remote instruction. Milton Academy may also modify its academic and/or athletic programming and curriculum, as needed and in its sole discretion, in order to best serve and protect the interests of the Milton Academy community. In such an event, Milton Academy will not refund or cancel any portion of the annual tuition and fees.

8. If any provision of this Contract is invalid, illegal or incapable of being enforced by reason of any rule of law, administrative order, judicial decision or public policy, all other conditions and provisions shall remain in full force and effect.

9. The laws of the Commonwealth of Massachusetts shall govern this Contract. Any action arising out of or in connection with this Contract, including, without limitation, an action to enforce or interpret its terms, shall be brought in a court of competent jurisdiction in Suffolk or Norfolk County, Massachusetts.
