

Parent/Guardian and Community Survey

We want to know what you think about St. Anthony/New Brighton schools in order to create an even better learning environment. Please be as honest as possible in your answers. Thank you for sharing your voice and experience!

Definition of Educational Equity:

Educational Equity focuses on the goal of positive academic outcomes for each learner, especially those from diverse backgrounds. Educational equity is defined as each student receiving the support they need to be successful in school. To achieve educational equity each student must have: access to challenging courses; active participation and engagement; cultural representation; and positive academic and social results.

Additional Information:

- Only Equity Alliance MN staff will know how you answered.
- Your answers will be combined with those of other parents.
- As you respond to each item, focus on your thoughts and feelings based on your own personal experiences with the district.
- There are no right or wrong answers—we just want to know your thoughts.
- The survey takes most students 10-15 minutes to complete.

Please answer the following question about your involvement with the following tasks.

I have been involved in creating or revisiting the school's vision for equity.
