Harmful Stereotypes Worksheet

PERSON ONE will complete the first two questions *without writing their name*, and then pass their answers to the front of the class. **PERSON TWO** will complete the last two questions, responding to person one's answers.

Brainstorm a time in which you felt hurt by someone who treated you unfairly based on a stereotype related to your gender. If you can't think of a personal one, think of something you saw on TV or in a movie.

How did the experience make you/them feel? How do you think you/they should have been treated?

SWITCH!

How is your classmate's experience of gender discrimination similar to the one you described? How is it different?

What do you think can be done to stop scenarios like the one your classmate described? What do you think you could do if you saw their situation happening?
