

**Walpole Public Schools wants each student to have a school experience that allows them to get what they need every day to learn and feel successful. The district also wants each student to be prepared with the skills and tools to pursue whatever they want once they graduate.**

**We invite you to take this survey to share your school experiences and your perspectives about Walpole Public Schools. This survey is anonymous, meaning we will not be able to connect responses to any student.**

**Thank you for your participation and making your voice heard to help the district improve the student experience.**
