# Essential SEL Leadership Strategies

Your SEL leadership strategies can help adults feel connected empowered, supported, and valued by providing ongoing professional learning, and creating space for adults to process and learn from their experiences.

Implement SEL leadership strategies in your practice.

1. Use the 3 Signature Practices in all adult learning settings.

- Welcoming & Inclusion
- Engaging Strategies
- Optimistic Closure

2. [Use 5 Minute Chats with the Principal](#)

- know them as an individual
- be responsive to their needs
- learn from them for the benefit of the school
- build relational trust
