Hello Mrs. Ryan!

It has come to my attention that there will be a nationwide school walkout on April 1st, 2022 from 12:40-1:40. This is basically just going against the Dont Say Gay Bill, and certain states passing laws against transwomen playing sports. There are multiple Topeka schools participating in this walkout including West, High, and Washburn Rural (middle and high school).

I understand the rules are most likely different at those schools, but I was wondering if there were any specific rules in the rulebook that would go against FMS participating in this walkout. I know many people who would want to do something like this, and I think it would truly be amazing if we could all come together and protest against this discriminating law.
