To whom it may Concern:

I am writing to verify that The School District of Palm Beach County is under consideration as a partner of Florida Atlantic University (FAU) for a sub-grant to the university as a partner to assist in revising the university's principal preparation program. Should FAU submit its materials by the deadline, a grant of \$2,337,499 will be made to the university for year one of which \$547,381 will be designated for use by The School District of Palm Beach County as one of their partners for developing a new program of principal preparation and professional development.

I hope this provides the information you require.

Cordially,
