It has come to my attention that there will be a nationwide school walkout on April 1st, 2022 from 12:40-1:40. This is basically just going against the Dont Say Gay Bill, and certain states passing negative laws against transwomen. There are multiple Topeka schools participating in this walkout including West, High, and Washburn Rural (middle and high school).

I understand the rules are most likely different at those schools, but I was wondering if you knew if there were any specific rules in the rulebook that would go against FMS participating in this walkout. I know many people who would want to do something like this, and I think it would truly be amazing if we could all come together and protest against this discriminating law.

Jean,

Will pull GSA together before Friday to discuss? Do it during a Science plan or team so 8th graders do not miss out on testing.
