Can we get some ideas from our counselors while we have legal counsel to seek for answers?

I'm going to get [REDACTED] to work on a presentation/handouts for questions/concerns your counselors may have as it pertains to legal issues that counselors may not be familiar with. Please ask your counselors for a list of topics that might be beneficial. For example, transgender students is one that I can think of, but there are many others that I'm sure your counselors would like to know more about. Thanks in advance.
