The presentation for the entire school will be approximately 40 minutes which includes time for Q&A. She will then meet with [REDACTED]'s class.

Marla Klein graduated in 2011 and her major area of concentration while at RSA was Photography. She went on to study at The Hallmark School of Photography in Massachusetts. She documented a close friend's feminizing gender transitioning over 18 months which has now been published as a book featuring Marla's photography as well as journal entrees by her friend documenting the journey. Tuesday Oct. 2 sounds good to me. How long will she be presenting? Will you send me a blurb about her to forward to staff and let me know how long she will be presenting so that I can adjust the schedule? Thanks.

Hi [REDACTED]

After speaking with Marla Klein and [REDACTED], it sounds like October 1-3, are the possible dates that would work for the two of them. I'm wondering if October 2 might be best as it is a Tuesday so there are no academic classes. Marla could do her presentation to the school as a whole and then go meet with [REDACTED]'s students afterwards. Please let me know your thoughts.
