

# Demographic Information

Because you are a student at FCHS you have been chosen to participate in a study to research demographics of FCHS students.

We will keep private all survey results that identify you, to the extent allowed by law. Your individual information will not be reported in any way; only the results of the study analyzed statistically based on the responses from groups of students will be reported. Your real name will not be used in any published research based on this study. Your likeness and/or identifying characteristics will not be used in any publications based on this research. You will not be identified in any written materials published by the research team. We may publish the results of this study; however, we will keep your name and other identifying information private. You should know, however, that there are some circumstances in which we may have to show your information to other people. For example, the law may require us to show your information to a court OR to tell authorities if we believe you pose a danger to yourself or someone else.

You have the right to stop taking the survey and/or to skip any questions that you feel uncomfortable with or that you do not wish to respond to. Upon completing this survey your participation in this research study is subject to continue through interviews and follow-up surveys.

If you have any questions, please reach out to [REDACTED]

If you agree to participate in the study please click the "I agree" button below to begin the survey. If you do not wish to participate, simply exit from this page at this time.
