Hello I apologize for not responding sooner, we have been blowing up and have gotten together a media statement. We will be upping our secqueerity(Security) as well. We do want to make sure everyone stays safe and will be doing things to make sure that happens. Thank you for you commitment to help us with this event, we deeply appreciate it and you more than youll know. See you soon,
Much space and grace.

Good morning,

I am sure you are both aware of the Libs of Tik Tok post as I know that MPS schools has been blowing up on social media and likely getting calls about it.

Let me know what you are thinking with the event. I am less concerned for my personal safety and more concerned about large groups of protestors showing up and traumatizing kids. The folks who showed up at the Capitol last week for the Trans Refuge bill were atrocious.
