Hey, I thought it would be good since this is a family event and 5<sup>th</sup> grades are usually 10/11 depending on their birthdays. Also, it would be good for them to know of future recourses that would be available for them as well. Let me know if you are interested if not that's okay too.

Hey [REDACTED]

Thank you for the invite! So our program only serves ages 12-17 right now. I don't know if tabling at this event would be beneficial for the young people or us, unless you think that there is another reason why we should be there?

Thanks,
