Yes, I receive these as does Adam (copied here). Happy to keep our eyes peeled for any questions that come in.
If you would like to get added to have access as well just let me know and I can do an IT help ticket.
We can talk more about it at our next planning meeting.
Thanks!

Subject: Gender Resource Fair - schoolclimate email address

Hi [REDACTED]

I wanted to just fill you in that a posting about the Gender Resource Fair in April has gone out in the Teacher's bulletin (per the communication plan), and the email address that we listed -- mostly so we don't put a particular name in front of the potential backlash we've seen around gender and young people-- is schoolclimate@mpls.k12.mn.us.

If I recall correctly, do you receive those emails? If so, and as you feel appropriate, please pass any inquiries along to Ian and me, particularly if they're about the purpose, logistics, and measures of safety we're taking for the event. If they happen to be more threatening, I'm very sorry to direct them to your inbox. Do you want to connect to have a plan for what we can do if that happens?

Best,

[REDACTED]
