Serving Texas Schools Since 1949

November 17, 2020

Dr. Steve Flores
Round Rock ISD
1311 Round Rock Ave
Round Rock, TX 78681-4941

Dear Dr. Flores:

During 2020, Texas public schools have shown that they are ready for any challenge, handling unexpected circumstances and rapidly changing situations with perseverance and determination. As your Association, we have responded quickly and creatively to help you through these challenges. We can provide this support because of the strength of our membership.

Thank you for your continued membership in the Texas Association of School Boards! For more than 30 years, every school board in the state has chosen to be a TASB Active member. As we look ahead to 2021, your collective voice will be even more important for public schools and the students you serve.

Enclosed is your **2021 TASB Membership Renewal**. Your board membership enables your board and district to participate in TASB programs and earns you many benefits, which are outlined in the enclosed insert. The second page of this letter details the programs your district participated in during 2020.

To find out more about what TASB offers or how we can assist you, call us at 800.580.8272 or visit us at tasb.org. For information on new programs and a recap of last year's activities, look for the *Annual Report* issue of *Texas Lone Star* magazine coming in December.

On behalf of the TASB Board and staff, thank you for your board's continued membership and your district's involvement in TASB.

Sincerely,

James B. Crow
Executive Director
