Subject: Bloomfield Hills High School Diversity Assembly Invitation and Information

Good afternoon

I am emailing you this afternoon because my students have indicated that you are interested and willing to participate in our Diversity Assembly at Bloomfield Hills High School

A group of Bloomfield Hills High School students have been developing a plan to hold a school wide assembly regarding how discrimination affects marginalized groups. The purpose of our student led assembly is to educate the student body and bring awareness to ignorance and bias within our community. We believe the best way of educating our community is by having people who live through this bias and discrimination talk about their experiences with our students and staff. Our guest speakers represent various religions, races, abilities and sexualities, as well as incorporate how their background and experiences affect their lives.

Each speaker will have seven minutes to speak. The prompt for the talk is "What oppression or discrimination have you faced, and what could the people around you have done to make this better? If applicable, how has racism and ignorance affected you in high school?"

We will have the assembly for each grade level. The assembly will be repeated four times throughout the day with a lunch break in the middle of the day. The time commitment is 7:55am - 2:50pm on March 14, 2023.

We would like to have a meeting to go through all of the information on March 9th from 3:00 p.m. - 3:30 p.m. Here is the information for the meeting:
