

Available to all ECASD Staff Members to meet the needs of any student!

About the ECASD Closet: At the beginning of this school year, the ECASD Closet became a resource for all students in need. The closet has gently used and new items in every size for both genders.

- Winter outerwear (coats, snow pants, snow boots, gloves, mittens, hats, scarves)
- Tennis shoes
- New socks and underwear
- Backpacks and school supplies
- All hygiene items
- Lice kits
- Bedding (Tie blankets, quilts, comforters, sheet sets - subject to donations received)
- Various household cleaning items (subject to donations received)

We hope to grow our community connections to collaborate on efforts and find new ways to proactively serve our families. We will work with our amazing district staff and volunteers to provide our students with items needed to learn and grow.

How to access the ECASD Closet: Any staff member is welcome to take items for a student if they recognize a need! The Closet is located at the Central Office, in the center of the building, on the stage. (Only staff members are allowed in the ECASD Closet) Be sure to complete the sign-out form on the clipboard near the door. The completed form can remain on the clipboard and will be collected by someone at a later date. **Below this sheet is another clipboard where you can write down ANYTHING that you needed but couldn't find. We will get the item(s) asap.**

Want to donate to the ECASD Closet? Anyone can donate items! They can be sent through district mail to ECASD Closet or dropped off at the Central Office with the receptionist. We accept other clothing items and bring them to partnering organizations who provide them free of cost to students in need.
