Good morning,

I was informed there was an email seeking financial support for one of our students. I appreciate the faculty and staff contributing to a cause that supports a student, but the nature of the request is not appropriate. All funds contributed will be returned and we will seek more appropriate methods to support our students.

Hello Team:

Please see the message below regarding your consideration for an urgent matter to support one of our own students here at Mount.

We have a student who came to America with "Coyote", which is a group that helps people. This group gives you a time frame to make a payment of \$5000 dollars to those, who bring them into the states.

Our student needs our urgent support to raise another \$2000 to meet his goal of \$5000 by February 1st, 2023.

Please considering helping if you can by donating on Friday. Melanea will be around to collect money between 8:00-8:45am.
