

15.16 Confucius Classroom Expense Report

Name of School / Designated Confucius Classroom: North Carolina School of Science and Mathematics

Expense Quarter Dates	Name of person filling out this report	Itemized Expenses	Date	Price	Narrative: How did each expense contribute to the Chinese language program at your school?
Quarter 1: (Aug 1-Oct 31)	Elizabeth Moose	Online subscription to resource for Chinese character writing sheets	08/21/15	\$14.99	This resource provided teaching materials that helped our two instructors of Chinese provide better instruction in teaching students how to write Chinese characters.
		Moon cakes for Asian Studies classes' celebration of the Mid-Autumn Festival	09/21/15	\$39.41	These supplies brought to life for students in the two sections of our Asian Studies course an important Chinese festival. The food was the highlight of a lesson focused on the details and significance of the Chinese Mid-Autumn Festival.
		Food and supplies for Chinese students during the Global Understanding linked class with China during September	09/28/15	\$81.12	This food and supplies supported and enhanced the weekly interactive video educational and cultural exchange between students in our Intermediate Chinese classes and their Chinese student partners at the Hangzhou Foreign Languages School.
		Moon cakes for all Chinese classes' celebration of the Mid-Autumn Festival	09/28/15	\$24.36	These supplies brought to life for students in all our Chinese language courses an important Chinese festival. The food was the highlight of a lesson focused on the details and significance of the Chinese Mid-Autumn Festival.
		2 smartphones and 2 headsets for use in the Global Understanding class link with China	10/05/15	\$141.14	This equipment enables students in our Intermediate Chinese courses who do not themselves own a smartphone to participate in one-on-one "WeChats" with their Chinese student partners at the Hangzhou Foreign Languages School during our weekly interactive video "Global Understanding" links.
		Food for Chinese students during the Global Understanding linked class with China in October	10/23/15	\$18.59	This food and supplies supported and enhanced the weekly interactive video educational and cultural exchange between students in our Intermediate Chinese classes and their Chinese student partners at the Hangzhou Foreign Languages School.
		Food for Chinese classes to learn taste words (bitter, salty, sweet, etc.)	10/23/15	\$18.02	This food was part of a vocabulary lesson in our two Intermediate Chinese classes on adjectives associated with taste. The instructional goal was for students to feel the physical sensation of each taste (bitter, sweet, salty, etc.) and thus associate the new vocabulary words with lived experience in a meaningful, memorable, and lasting way.
		SPECIAL NOTE			
	Name of person filling out this report	Itemized Expenses	Date	Price	Narrative: How did each expense contribute to the Chinese language program at your school?

Elizabeth Moose	Federal Express shipment of materials to China re: visiting exchange students from Hangzhou Foreign Languages School	11/19/15	\$29.29	This was an essential expense related to the educational and cultural exchange visit to the NCSSM campus by 21 students and 3 teachers/chaperones from the Hangzhou Foreign Languages School.
