

Vivek Ramaswamy
American Identity Scholarship

In the face of declining national pride, **Vivek Ramaswamy** will endow a new scholarship to revive patriotism amongst young Americans. This year, ten high school students will be eligible to receive a \$25,000 scholarship for concisely articulating what it means to be an American in 2023.

Ten winners will be selected by a panel of judges to each receive a \$25,000 scholarship for post-secondary education, entrepreneurial endeavors, or their commitment to serve in a military or law enforcement role.

The scholarship will be administered by [Incubate Debate](#), a nonprofit organization that leads U.S. students to debate important issues of public importance.

In consultation with the founding benefactor (Vivek Ramaswamy), [Incubate Debate](#) will provide coaching tips to students on delivering confident, concise, and clear messages via Twitter.
