

Good Morning,

Thank you to all who have responded to the first email. If you still need to reply, please let me know as soon as possible if you are remaining on the council. The membership guidelines will be posted on the Equity and Access page website for those who want to join us in this work. I want to share two additional pieces of information with you.

1. Ms. Tenesha Grant (Ms. Tee) has joined us as the Open Choice Liaison. We are so excited to have her on board. You will meet her at our first meeting.
2. Columbus Day- As a council, we are not preparing a board recommendation during our next meeting. We will use our equity lens to review requests and information we've received to begin our discussion.

Take Good Care,

Dr. [REDACTED] (black) she/her
