AFFIRMING EDUCATORS TRAINING SCHOOL-BASED AMBASSADORS TO ENSURE AN AFFIRMING COMMUNITY FOR ALL

WHAT

HiTOPS is pleased to offer a consulting series in which we provide training for 15-20 select staff within a school district with the goal of establishing an ambassador group to serve as in-house experts in maintaining an affirming and inclusive school community for all youth.

FOR WHOM

Participants may include counselors, nurses, building- and district- level leaders/administrators, teachers, support staff, and other organizational staff.

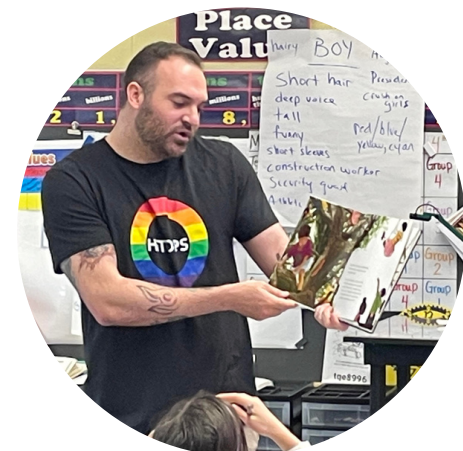

TRAINING TOPICS

Over the course of 10 months, ambassadors will build the foundational knowledge necessary to provide in-school support and resources regarding LGBTQ+ youth.

Workshops are designed to provide ambassadors the opportunity to apply their knowledge using role play scenarios, group discussions, and game-based activities.

Topics Include:

- Introduction to Sexual Orientation, Gender Identity & Expression (SOGIE)
- Advanced SOGIE Terminology and Applications
- Federal and State Laws Regarding LGBTQ+ Folks
- Transgender Puberty and Transitioning
- Coming Out Conversations
- LGBTQ+ History
- Queer Intimacy
- Allyship and Advocacy
