Bexley Schools Statement of Support for Transgender Students

[Print This Article](#)

January 26, 2024

At Bexley Schools, we are committed to our values, which include equity, inclusion, and well-being. We strive to ensure that every student feels safe, respected, and valued. This is essential to our purpose as a public institution.

This week, the Ohio General Assembly completed its override of the Governor’s veto of House Bill 68. We are deeply saddened by this action. We believe in the fundamental right of every student to express their identity and to learn in an atmosphere of dignity and mutual respect. Our district is dedicated to providing an inclusive and supportive educational experience for all. Our DNA is to learn with curiosity, demonstrate kindness, and embrace equity.

We will continue to support the rights and dignity of our transgender students and will continue in our efforts to ensure our schools are a place of safety, acceptance, and learning for all.

Dr. Jason Fine, Superintendent
Victoria Powers, Board of Education President
