

Dear Parents and Community Members,

 Urgent Alert 

Activists promoting indoctrination and inclusion of anti-Israel and antisemitic content provided materials to be used during the BLM at School Week of Action on Feb 5-9 in schools.

See their intentions here: [BLM at school teaching palestine](#) . See posts [here](#) and [here](#)

See [article](#) and [instagram post](#) reporting it.

 Nationwide Operation:

The BLM at school organization has a presence nationwide, with varying levels of activity across different regions. There may be attempts to spread falsehoods about Zionism, Israel, its history and current events in K-12 schools.

Immediate Steps:

 **If your school is implementing BLM at School Week of Action on Feb 5-9:**

 Meeting with School Administrators or School Board members:

Inform your school principal or other school leaders about your concerns. Demand for the material used in classrooms is properly vetted. Send letters.

 Verify and Monitor:

Check the BLM at School materials in your school. Encourage kids to bring home any content presenting falsehoods about Israel.

 Collaborate and Mobilize:

Share the alert and [instagram post](#). Engage parent groups, coordinate to monitor, and raise awareness.

 Evidence Collection:

Gather and organize evidence of problematic content.

 Raise Awareness through Media:

Share relevant articles. Contact local journalists to report evidence for wider audience reach.
