Dear Karl Hoseth,

I'm delighted to resume our partnership with Lincoln High School, thanks to Anping Liu.

Our friendly relationship with your school began in 2017 when one of our teachers participated in the "Confucius Institute Volunteer about Chinese Language Teacher Program" in the Washington State and taught Chinese at Lincoln High School. In November 2017, a delegation from the Washington State Department of Education visited Chongqing, and Mr. Erwin visited Yucai Secondary School for the first time.

In October 2019, Mr. Erwin visited Yucai for the second time. We sincerely invite you to visit our school to further deepen the exchange and cooperation between our two schools and explore future possibilities!

For your convenience, we have attached our school profile. Thank you for your time.

Best regards,

Sarah Xia,

Vice Principal of Chongqing Yucai Secondary School
