Hey [Redacted], I am just seeing your email. Thank you so much for offering to do that, but Chad went to the Dr Thursday afternoon and found out that he has bronchitis, so he is resting for a few days. Christian is excited to return to school on Monday. Thank you again for reaching out. I hope you have a great weekend!

Good afternoon, [Redacted],

Earlier today, I had the opportunity to speak with your wife. Unfortunately, her email address does not appear to be in our information system, so I am reaching out to you in hopes that you will pass the following along.

I look forward to Christian returning to school this coming Monday. If there is anything that my staff or I can assist with as he prepares to return to school, please don't hesitate to let me know. I'm willing to meet with the two of you and Christian personally on Monday morning if he feels that would be helpful.

I look forward to a strong finish for Christian and all of our students and staff as we quickly approach the close of this school year.

Thank you,

## Suspension from Central High School

Hello, [REDACTED], my name is [REDACTED]. I am writing in hopes that you can direct me on how to appeal a disciplinary marking on my son's high school record.

My son Christian is 16 years old. He is a great student, a wonderful son, and most importantly a kind human. Christian has served in leadership for FCA (fellowship of Christian athletes), he is currently involved in school clubs, a member of Central Davidson track and cross country team, and his goal is to receive a college scholarship for pole vaulting.

Christian attends Central Davidson High School in Davidson County. On Tuesday morning (8/9/2024) during English class, his teacher [REDACTED] was teaching ethics, and assigned vocabulary words to the class. As she was reading, she said that one of the words was "Alien" to which Christian responded; "like, space aliens, or illegal aliens without green cards?" A young man in class responded to Christians questions by saying he was going to fight him. [REDACTED] called the Assistant Principal ([REDACTED]) and he said that he considered Christians question offensive and disrespectful to his classmates who were Hispanic. Christian said "I didn't make a statement directed towards anyone; I asked a question. I wasn't speaking of Hispanics because everyone from other countries need green cards and the term "illegal alien" is an ACTUAL term that I hear on the news and can find in the dictionary."

Because of his question; our son was disciplined and given three days out of school suspension for "racism".

Christian is devastated and concerned that the racism label on his school record will harm his future goal of receiving a scholarship in the future. We are concerned that he will fall behind in his classes due to being absent for three consecutive days.

We were told that Christian will be counted "absent" on attendance records if he didn't attend an Alternative School in Davidson County during his suspension. We were able to take him on Thursday, but unable to do so Wednesday and today because we could not provide transportation due to our work schedules, as the alternative school hours are 8:30-11:30 each day.

School policy says that I can not appeal the decision because the punishment is less than 10 days. I am desperately hoping that there is a way to appeal this decision, as I feel that this is unfair treatment of a child asking a question in school classroom.

I am praying that with your help we can find a way to remove this label of "racism" that was unfairly placed on our son's High School record, and excuse his absences as a result of the suspension.

Attached is a copy of the suspension write up from [REDACTED] stating that Christians question was considered "racially insensitive."

Please know that [REDACTED] has been so kind and helpful to our family as we navigate through this process. We love Central Davidson High School and we are thankful that our child has such a wonderful school to attend; however we feel that this label of racism is extremely excessive.

Thank you for taking the time to read this, please let me know if this is something that I can bring before the school board.
