Hi [REDACTED]
Per our conversation yesterday, I know you said cease all spending. I wanted to get clarification – if it was already approved as part of their plan, is it allowed to move forward OR regardless of plan, no more approvals? If we can allow some already approved items from plans to go through, should we let you know ball park amounts for these? There are some tutoring services/programs we were in the works of setting up so I wanted to run this by you now.

I also have a field trip request from the Equity department. Wondering timeline of communication because I don't want to say anything about ceasing spending before we are ready.

Thanks!

I have been working on this with scholastic for a while now. These are cultural packs that we want to use with our Migrant students and give to teachers around the district who have our migrant students. Would we be good to uses ESSER on this-I know you told me yes in the spring but wanted to check on this now and show you the quote.
ESOL ESSER.
