

School Lead Sign Up DMV School Strike 4 Gaza 5/24

Hi! Thank you for considering being a school lead for the DMV School Strike for Gaza.

Responsibilities include:

- Making a group chat (preferably on Signal/Whatsapp) with everyone from your school who is attending
- Communicating regularly with strike organizers about your school pod
- Making sure everyone from your school has at least one buddy
- Putting fliers around the area of (but not inside of!) your school
- Doing direct recruitment within the school (asking directly, spreading through word-of-mouth, having clubs promote the strike)

We will provide you with a guide and all the materials you need to accomplish these things and achieve a large turnout for this action! Thank you so much, and reach out to schoolstrike4gazadm@gmail.com with any questions.

(For security reasons, the organizing team for the strike is not publicly sharing all the schools with students participating. If you fill out this form and there's already a mobilization within your school, we will connect you with them.)
