Subject : **【Emergency】 Zheding,China Zoom Presentation This Thursday**

Hi [REDACTED]

Zheding in Hebei hopes that this Thursday, during the first period, they can introduce the scenery of Zhending, hoping that more students and teachers can visit Zhending in the future.

Time: This Thursday, 8:20-9:08 am.

Location: Zoom Meeting.

Proposed operation plan: Send the Zoom link to all teachers in our school, and if teachers are willing, use their computers to allow students to participate in the live presentation. Teachers and students do not need to speak, but if they want to ask questions, they can leave the commons to ask too.

If this plan is feasible, could you please approve it for me today? Or do I need to fill in any form to get the approval?

Zhengding in Hebei needs to report this project to the government today. Thank you so much!!
