Hello [REDACTED]

Because of the winter weather outages, I am just reading your email today. Thank you for communicating and sharing with me. Legally I will have to call you the name that is on your birth certificate until a parent change it. Please feel free to reach out to me with any questions or concerns.

Thank you,

[REDACTED] I know that there's a lot going on and this may be a sign of me but I am writing this email today to tell you that I am non-binary. Meaning that I don't go by or identify with the gender I was assigned at birth. I now go by they/them pronouns and my name is R (R). I haven't told my mother. So please don't tell my mom yet. I told you first because I feel like I can trust you.
