Hello [REDACTED]

My name is [REDACTED] and I am a Social Studies teacher at Renton High. I will be unable to attend the meeting tonight, but have a lot of thoughts about the current situation at our school and in the world. Attached is a personal statement on the matter, specifically in regards to drafting a school-wide statement condemning Hamas. [REDACTED] and [REDACTED] are not named, but wanted to be identified in support of this statement.

Thank you,
