You're a teacher for God's sake... ☐☐♀

I don't know what news you're following, but Israel admitted they couldn't verify that story was true. You asking me if I advocate for beheading babies is sickening and reveals your deep Islamophobia. Channel your energy into learning about settler colonialism of Palestine or don't say anything at all. Please don't email me again.

Hmmm;

You wouldn't be advocating beheading babes?
Would you?

News that is bias or just plain incorrect is either intentionally or unintentionally intended to sway an individual's perception of an event or environment.

Yes it does change things.

Hi Carey,

Let's suppose you're right... what about my email does that detail really change? Does it make the ethnic cleansing of over a million Palestinians easier to stomach? Does it make the 6,000 other bombs targeted at civilians in schools and residential buildings easier to justify? I'm not sure what point you were hoping to illustrate, but if you're interested in joining our book club, we'd love to have you.

And I hope you'll consider looking at the resources document I attached. Have a good night,

Shayma

Hi Shayma,

I think the rocket that hit a hospital in Gaza was fired from Gaza, landed in Gaza and was fired by an Islamic fundamentalist group.

Good morning,

Considering the genocide of over 1 million Palestinians unfolding before our eyes, I have put together some resources you may find helpful to make sense of and talk with students about what's happening in Israel and Palestine, specifically in Gaza. Just yesterday, Israel bombed a hospital, killing over 500 Palestinians. This, on top of the over **1,000 children** killed since last Saturday.

A few days ago, the [UN warned of mass ethnic cleansing of Palestinians](#)

I hope you will find the following resources to be useful:

- <https://www.zinnedproject.org/news/violence-in-israel-and-gaza/>
- <https://socialjusticebooks.org/booklists/palestine/>
- <https://teachpalestine.org/>
- <https://www.mecaforpeace.org/meca-projects/teach-palestine-project/>
- https://teachmideast.org/resource_guides/the-israeli-palestinian-conflict/

Additionally, I'm wondering if you would be interested in engaging in thoughtful discourse as we continue to learn together. I'm proposing a book club as a start. If you are interested in reading [Rashid Khalidi's *The Hundred Years' War on Palestine: A History of Settler Colonialism and Resistance, 1917–2017*](#) or any one of these books on [this Zinn Project book list](#), **please email me directly.**

I look forward to learning and engaging with you all.

Take care,
