Whereas:

Oakland Unified School District is committed to creating inclusive and just conditions for all students. OUSD is a district where we cherish our cultural richness and ensure all communities feel respected and heard, including our growing Arab-American and Middle-Eastern immigrant communities.

Whereas:

Oakland and the Bay Area have a long and proud history as a national beacon of anti-war activism and opposition to US military intervention in the neocolonial world.

Whereas:

The Israeli military invasion of Gaza now threatens to broaden to other parts of the Middle East and deepen other ongoing humanitarian crises already impacting many families within our schools.

Therefore be it resolved that:

- 1. In order to prevent obvious wholesale bloodshed in Gaza, OUSD calls for an end to the invasion and occupation of Gaza by the Israeli military now.**
- 2. OUSD calls for massive international humanitarian aid to the people of Gaza now. End any and all obstruction to the aid by any members of the international community.**
- 3. OUSD opposes all racist and genocidal policies on both sides.**
