Statement of Work
See attached.

Our mission is to support the recruiting, training, hiring, and retention of quality Black educators that reflect the cultural background and share common socio-political interests of the students they serve.

Our vision is for all Black students to have consistent access to high quality same race teachers throughout their PreK-12 experience. Teachers who do not share same cultural backgrounds as their students will demonstrate high levels of expertise in culturally responsive practices and anti-discriminator mindsets and habits. Professional learning, pipeline, policies, and pedagogy will be aligned to ensure greater educator diversity, cultural responsiveness, and improved student outcomes.

Freedom Schools Literacy Academy (FSLA) Summer Program Proposal

PURPOSE OF PROPOSAL

The purpose of this proposal is to address the following:

1. The academic slide students may have experienced due to interrupted learning caused by COVID-19.
2. Combat the academic “summer slide” that students often experience.
3. Provide high school and college students with summer employment by providing a paid-apprenticeship to increase their interest in becoming future teachers and educational leaders.

PROGRAM DESCRIPTION

The Center for Black Educator Development (CBED) was launched in May 2019 by veteran educator and former U.S. Department of Education Principal Ambassador, **Sharif El-Mekki**. CBED’s goal is to lift up low-income Black scholars by substantially increasing the number of Black teachers at the front of their classrooms. In Philadelphia (*CBED’s flagship city*) the student body is over 50% Black but only 24% of the teachers are Black and just 4% are Black men.

This summer The Center for Black Educator Development will conduct a 5-week in person and virtual paid-apprenticeship program for high school and college aged aspiring educators, through our Freedom Schools Literacy Academy (FSLA). Freedom Schools Literacy Academy is a family and community centered program designed to positively impact literacy development for young people of African descent during their foundational years, in order to secure their future academic success and intellectual development.

Through participation in FSLA, it is our aim that high school students will strongly consider becoming future educational leaders and teachers and that college students will emerge from FSLA committed to entering the field of education upon graduation. Apprenticeship participants will have access to professional development sessions, trainings, cycles of observation, feedback, and coaching. We aim to equip future educators with pedagogical understandings and tools that extend beyond traditionally euro-centric models that are often prevalent in the educational field. Participants in the apprenticeship program will learn to apply deep cultural and intellectual memory held by communities of African descent for the intellectual, emotional, and social development of their students. Each participant will complete a summer portfolio and participate in an end of the summer symposium presentation.

PROGRAM TIMELINE *(specific dates will be provided according to the SY-calendar)*

Date	Event Description
June (first 3 weeks)	Staff Orientation
June (last week)	Apprentice Training & Orientation
July - August	Program Dates For Scholars

FREEDOM SCHOOLS EXPERIENCE

Scholar experience: Scholars will engage in programming geared toward their academic and cultural development. CBED is focused on rising 1st-3rd graders. These crucial years of early literacy development have the greatest potential to impact the long-term educational trajectory of scholars. In order to address COVID and summer slide, we will provide literacy and phonics engagement. By focusing on literacy and phonics scholars will increase their understanding and retain information that is typically lost over summer months.

In addition to academic rigor, scholars will engage in Harambee - a communal experiential process that helps to solidify the collaborative familial experience of the program. Scholars participate in affirmational chants, recognition of ancestors, listen to a text “read aloud” by a community leader, and participate in group sing-alongs. Scholars will also participate in a day of action, where they will apply summer learning to a project that positively impacts the community.

College student experience (Servant Leader Apprentices/SLA): SLAs will serve as lead teachers for a cohort of 10-scholars. They will teach literacy and phonics, as well as undergo professional development from tenured educators.

High school student experience (Junior Servant Leaders/JSL): JSLs will support SLAs by co-teaching a cohort of 10-scholars. In addition, they will receive professional development and participate in a “Friday Focus” group.

DAILY SCHEDULE

FSLA sites operate Monday - Friday, with a focus on literacy, phonics, educational activism and cultural upliftment.

Monday- Thursday 8:00am - 3:30pm

Fridays 8:00am - 12:00pm (every Friday scholars will participate in a field trip)

Scholars begin their day with breakfast, followed by Harambee - a communal, experiential process that helps to solidify the collaborative, familial experience of the program. They learn and participate in affirmational chants, recognition of ancestors, listen to a text read aloud by a community leader, and participate in group sing-alongs. Harambee is followed by FSLA literacy and phonics instruction.

Scholars take a break from 12:00PM - 1:00PM for lunch and recess. This is followed by participation with enrichment activities (taught by Enrichment Specialists) that incorporate movement, music, art, and/or an extension of their community project. These activities become components of the performance finale, where families and community members are invited to see scholars perform.

While scholars engage in afternoon activities, Servant Leader Apprentices and Junior Servant Leaders participate in afternoon professional development sessions led by Literacy Coaches and Junior Servant Leader Coaches.

At the end of each week (every Friday) scholars participate in field trips to places such as the museum, bowling alley, and skating rink. Junior Servant Leaders stay behind and have "Focus Friday." Their time is spent organizing research and educational activism programs in preparation for the end of the summer research symposium.

FSLA CURRICULUM, OUTCOMES & DATA:

Curriculum: Dr. Miriam Ortiz from Friends On The Block early literacy curriculum team and Dr. Nell Duke, an early literacy and project-based learning researcher from the University of Michigan; partnered with us to uniquely design a curriculum solely for Freedom Schools Literacy Academy scholars.

This curriculum teaches scholars foundational literacy skills such as making predictions, noticing character traits, identifying the sequence of events in a plot, and enhancing vocabulary and phonics skills.

Outcomes: In the summer of 2021, we offered FSLA programming to 288 elementary students, 78 high school students, and 54 college students. The following are highlights from the 2021 results.

Scholars: 1) *Gains in Early Literacy Skills.* Students in grades 1-3 increased their reading ability by an average of 2.29 levels in the Friends on the Block Literacy Curriculum, an early literacy intervention (a 33% increase from level 6.96 to 9.25 in five weeks). This increase was statistically significant for students across virtual and in-person programming and students with higher or lower pretest scores. Students with higher pretest scores increased an average of 1.7 levels, and students with lower pretest scores increased an average of 2.6 levels. 2) *Increase in Positive Racial Identity.* Elementary students were given a pictorial self-report scale of ten items in which they could comment on their attitudes on racial identity, reading, schoolwork, effort, adults, and knowledge of Black books and history. They reported increases in all ten items from before to after FSLA. There were statistically significant increases in the total score on knowing books about Black people, learning about the successes of Black people, and doing the best work they can at school. Correlations among these attitudes were calculated before and after FSLA. Before FSLA, high ratings on the item, "I am Happy I am Black/Brown" were significantly correlated with high ratings on "Adults Care about Me." After FSLA, high ratings on "I am Happy I am Black/Brown" were significantly correlated with high ratings on "I do the Best Work That I Can at School," "I am Special," and "I Know Some Books Written about Black People." This pattern suggests that after FSLA, Black early elementary students associate being Black/Brown with hard work, being special, and knowledge of their racial heritage.

High School Students: 1) *Increase in Positive Racial Identity.* High school students reported statistically significant increases in positive racial identity, and specifically in learning about their history, traditions, and customs, thinking about how their life will be affected by their ethnic group membership, and having a strong sense of belonging to other Black/Brown people. 2) *Increase in Academic Self-Efficacy.* High school apprentices showed statistically significant growth in areas of academic self-efficacy, mindset, habits of mind, and strategies

for academic and personal success. 90% agreed that participating in the program will help them focus more on their education. 92% agreed they know they can complete difficult tasks. 93% agreed that even when things are tough, they can perform quite well. 95% agreed they know what to do when they come across difficult reading content. 89% agreed that they acquired the academic skills to do whatever they decide to do. 86% agreed they have strategies for handling academically challenging tasks. 88% agreed that when they need help they know how to ask for it. 84% agreed that they believe they are developing strategies that will help them overcome challenges.

College Students: 1) *Increase in Careers in Teaching.* College teaching apprentices showed improvement in teaching interest and skills. Prior to the program, 79% agreed or strongly agreed they had an interest in teaching, while after the program, that number increased to 100%. Before FSLA, 91% of college student apprentices had an interest in teaching Black children, while after the program it was 100%. 2) *Increase in Teaching Skills and Professional Confidence.* A total of 100% agreed that their coach consistently followed up with them weekly, they felt respected, valued, comfortable with their coach, and their coach affirmed the racial identity of elementary students. A total of 97% agreed that the support their coach provided was of high quality, felt their coach affirmed their racial identity, coaches were clear on pre-work and next steps, they had the right amount of support, and they felt they would be better teachers because of their experience with their coach. College teaching apprentices acquired skills in relationship building, communication, creating meaningful lessons that keep elementary students engaged, differentiation of lessons based on student needs, problem solving in the moment, organization, and how to interact with parents.

If the School District has already made payment for that item or items, the School District may by notice to the Contractor require the Contractor to refund promptly to the School District the amount of any such overpayment, or the School District, at its option, may set off such overpayment against any payments accruing thereafter to the Contractor under this Contract or any other contract between the Parties.

4. The Contractor's Duties Concerning Taxes and Other Obligations.

a. Tax Policy. The School Reform Commission (the "Commission") by its Resolution SRC-2, dated February 21, 2013, adopted its Tax Compliance of Vendors Policy (the "Tax Policy") for School District vendors, including the Contractor. The Tax Policy provides that in general the Commission will not permit the School District to contract with Persons delinquent in payments of any City of Philadelphia (the "City") or Commonwealth taxes or other indebtedness or obligation, at the execution and delivery of the Contract and at any time during the Term.

b. Contractor's Covenants. In compliance with the requirements of the Tax Policy, the Contractor covenants and agrees that throughout the Term, for itself and any Person controlling, controlled by or under common control with the Contractor, the Contractor shall comply with the following requirements.

i. At any time during the Term upon notice from the School District the Contractor shall deliver to the School District proof of its tax compliance in the form of a "Certificate of Tax Clearance" from the City's Department of Revenue.

ii. At any time during the Term upon notice from the School District the Contractor shall deliver to the School District proof in writing of its execution and delivery of a settlement agreement, payment plan or other necessary and appropriate documentation in satisfaction of any indebtedness to (A) the City for or on account of any City tax, including any tax collected by the City on behalf of the School District, or in satisfaction of any other indebtedness or obligation owed by the Contractor to the City; and (B) the Commonwealth for or on account of any Commonwealth tax, or in satisfaction of any other indebtedness or obligation owed by the Contractor to the Commonwealth.

iii. The Contractor shall promptly pay and otherwise promptly and diligently comply with and carry out its duties and obligations under any such settlement agreement, payment plan or other documentation with the City or the Commonwealth, until it has discharged its obligation to the City or the Commonwealth by satisfying any such tax or other indebtedness or obligation.

iv. The Contractor may in good faith, diligently and expeditiously, pursue any

bona fide claim, contest or appeal with the Commonwealth, or the City, as the case may be, of its liability for, or the amount of, any indebtedness or obligation to the Commonwealth, or the City for or on account of any tax, including but not limited to any tax collected by the City on behalf of the School District, or other indebtedness or obligation, to the final appeal, adjudication, resolution or compromise thereof with the Commonwealth or the City. The Contractor shall promptly pay all uncontested taxes and other indebtedness or obligations to the Commonwealth and the City.

c. *The Contractor's Taxes, etc. – School District Set-Off.* The Contractor agrees that the School District shall have the right to set off against, or to withhold payment of, or both, any and all Compensation accruing and payable to the Contractor under this Contract and any other contract, in order to provide for and assure the payment by or on behalf of the Contractor of any and all sums of taxes or other indebtedness or obligations then lawfully due and owing by the Contractor or any Person controlling, controlled by or under common control with the Contractor, to either the City or the Commonwealth. Each Party shall have the right to rely on certificates and other official documents provided by either the City or the Commonwealth in proceeding to withhold or set off under this subsection 4.c.

5. **Best Pricing.** The Contractor shall perform the Work at the lowest price the Contractor charges to other school districts or other governmental entities for like work. If the School District pays a price for the Work in excess of the lowest price the Contractor charges or has recently charged to a governmental entity, in addition to all other remedies, the School District shall have a right, as damages, to a refund equal to the difference between the price charged to the School District and the lowest price the Contractor charges or has recently charged to another school district or governmental entity, together with interest at a rate equal to the prime rate of interest as published from time to time by the *Wall Street Journal*, plus five percent (5.0%).

6. **Unavailability of Funds; Crossing Fiscal Years.**

a. *Unavailability of Funds.* In the event the School District, in its sole determination, does not or cannot obtain or continue the funding for this Contract from any source or sources at an aggregate level sufficient to allow for payment for the Work, the School District may exercise one of the following alternatives: (i) terminate this Contract effective upon a date specified in a Termination Notice; or (ii) continue this Contract by reducing, through written notice to the Contractor, the amount of this Contract and the scope of the Work, consistent with the nature, amount and circumstances of the loss of funding. Any termination or reduction of this Contract pursuant to this subsection 6.a. shall not affect any obligations or liabilities of either Party accruing prior to such termination or reduction. The School District shall not face any liability or penalty as a result of such termination or reduction of this Contract.

b. *Crossing Fiscal Years.* If the School District will pay any portion of the Compensation in any School District fiscal year subsequent to the current fiscal year (the School District's fiscal year runs July 1 – June 30), the portion of the Compensation that may accrue hereunder in a subsequent fiscal year remains subject to legally mandated budget authorization by the Board of Education, under Applicable Law. If for any reason funds for that portion of the Compensation that may accrue hereunder in a subsequent fiscal year are not continued in any subsequent School District fiscal year, this Contract and the School District's liability under this Contract shall automatically terminate at the end of the fiscal year for which the Board of Education authorized funds.

7. **Grant-Funded Contracts; Trust-Funded Contracts.**

a. *Compliance with Grant.* If the School District pays for all or any portion of the Work with funds received by the School District as grants or under other terms and conditions from any source, including the United States of America, the Commonwealth, the City, or any department or agency of one of these governments, or from any public or private charitable trust or corporation, then the Contractor shall comply with the terms of the applicable grant agreement, contract or trust indenture, as the case may be, in carrying out the Work, and the School District shall comply with the terms of said grant agreement, contract or trust indenture, as the case may be, in making any payment or payments hereunder to the Contractor. The Contractor shall not take any action, or omit to act, if such act or omission would cause a breach or default under any such grant agreement, contract or trust indenture.

b. *Timely Submission of Invoices.* If the School District pays any of the

Compensation from federal government or Commonwealth grant funds, the Contractor shall bill the School District for any outstanding Compensation owed to the Contractor within ten (10) business days after the end of the Term (see, Section 3 of the Agreement for Services). In the event the Contractor does not bill the School District for the balance of any Compensation within said ten (10) day period, the School District reserves the right to withhold payment of the balance of the Compensation to the Contractor based upon the loss of federal government or Commonwealth funds caused by the Contractor's delay, in which event the School District shall have no liability to the Contractor for said balance of the Compensation.

8. *Independent Contractor; No Partnership or Agency.*

a. The School District has engaged the Contractor as an independent contractor to carry out the Work, and neither the Contractor nor any of the Contractor's agents, employees or Subcontractors shall in any way or for any purpose whatsoever be deemed an agent or employee of the School District. Neither the Contractor nor any of its agents, employees or Subcontractors constitute employees of the School District, and these Persons shall have no right to receive any School District employee benefits or any other privileges available to School District employees. Neither the Contractor nor its agents, employees or Subcontractors shall represent themselves in any way as agents or employees of the School District, and none of the Contractor, its agents, employees or Subcontractors has any power to bind legally the School District to any third party.

b. Anything set forth elsewhere in this Contract to the contrary notwithstanding, including but not limited to any references in any exhibits to a "partnership" or "partner" relationship, the Parties have not created, do not intend to create, and no Party, nor any other Person, including any court or other tribunal, shall construe anything set forth in this Contract as creating a joint venture or partnership between the School District and the Contractor with respect to the Work. Neither the Contractor nor the School District shall have any power to bind the other Party in any manner whatsoever to any third party. The Contractor does not function as an agent of the School District in any dealings with any third party.

9. *Non-Discrimination.* The Contractor, for itself, its directors, officers, agents, employees and Subcontractors, covenants and agrees that it shall not discriminate against or intimidate any employee or other Person on account of age, race, color, sex, sexual orientation, handicap, disability, religious creed, ancestry, national origin, gender identity, marital status, genetic information, or Vietnam-era or any other veteran status. The School District operates as an equal opportunity employer under Applicable Law; the Contractor shall likewise operate in all respects as an equal opportunity employer under Applicable Law. The School District shall not do business with any Person that unlawfully discriminates on the basis of age, race, color, sex, sexual orientation, handicap, disability, religious creed, ancestry, national origin, gender identity, marital status, genetic information, or Vietnam-era or any other veteran status, or any other impermissible ground in hiring, promotion, subcontracting or procurement practices. The Contractor shall include the first three sentences of this Section 9, with appropriate adjustments for the identity of the parties, in any Subcontracts that it executes and delivers. If the School District has selected the Contractor pursuant to a public solicitation or through a request for proposals or comparable process and the Contractor submitted a plan describing the participation of minority-owned, women-owned or disadvantaged businesses as part of the solicitation or the RFP, then the Contractor shall comply with its participation plan.

10. *Subcontracts.*

a. *School District Consent Required.* The Contractor shall not delegate or enter into any Subcontract for the performance of any of its obligations under this Contract, including any portion of the Work, in whole or in part, without in each instance first giving notice to and obtaining the written consent of the School District, which consent the School District may grant, withhold, condition or delay in its sole discretion. The School District hereby consents to any Subcontract entered into by the Contractor specifically referenced in Exhibit "A", the Contractor's Statement of Work, to this Contract. Any subcontract or assignment made in violation of this Section 10 shall be null and void. The School District shall have no obligation to any Subcontractor. Each Subcontract shall contain clauses to the effect that (i) the Subcontractor shall have no recourse to the School District for any payment, or for performance under such Subcontract; (ii) the Subcontractor consents to any assignment of the Subcontract by the Contractor to the School District, at the School District's sole option; and (iii) the Contractor shall make payment to any Subcontractor within five (5) business days after receipt of payment from the School District with respect to work properly invoiced by a Subcontractor to the Contractor

and reflected in the payment by the School District to the Contractor.

b. *No Change in the Contractor's Obligations.* The existence of any Subcontract shall not alter or limit the obligations of the Contractor to the School District under this Contract. The Contractor shall at all times remain fully responsible for its Subcontractors, and shall ensure that it legally binds all Subcontractors to the same terms and conditions as the Contractor under this Contract, including without limitation, non-discrimination, warranties, confidentiality, maintenance and preservation of records and audit by government representatives.

11. *Non-Assignment.* The Contractor acknowledges that the Work constitutes personal or professional services, or both, of the Contractor. Except through a Subcontract subject to Section 10 above, the Contractor shall not assign this Contract, or any part of this Contract, nor delegate performance of any part of this Contract, without the prior written consent of the School District, which consent the School District may grant, withhold, condition or delay in its sole discretion. This Contract legally binds the Parties and their respective successors and assigns. Any purported assignment in violation of this provision shall be void and of no effect. The School District's consent to an assignment shall not release the assignor from any liability accrued or thereafter accruing under this Contract. Any assignment shall be in writing and shall contain an express assumption by the assignee of all liability accrued or thereafter accruing under this Contract. Consent by the School District to any assignment shall not constitute a course of conduct, dealing or performance with respect to any other assignment or proposed assignment. For purposes of this Section 11, an assignment includes the acquisition of the Contractor, or a controlling interest therein, through an asset sale or a corporate or other merger, the appointment of a receiver or bankruptcy trustee for the Contractor, and the transfer of this Contract or the Contractor in any bankruptcy or other insolvency-related proceeding. A receiver or trustee of or for the Contractor in any federal or state bankruptcy, insolvency or other proceeding concerning the Contractor shall comply with the requirements set forth in this Contract, including but not limited to this Section.

12. *Audits; Records and Payments; Inspectors General.*

a. *Audits.* From time to time during the Term, and for a period of six (6) years after the expiration or termination of this Contract (see, 24 Pa. Stat. § 5-518), the School District, the Controller of the City, the Commonwealth, including without limitation its Auditor General and the Pennsylvania Department of Education, or a department, agency or instrumentality of the United States of America, if the School District funds this Contract with federal funds, or any of their authorized representatives (each, for the purposes of this Section, an "Auditor") may audit any and all aspects of the Contractor's performance under this Contract, including but not limited to its billings and invoices and payments received.

b. *Inspection.* If requested by an Auditor or the School District, the Contractor shall submit to the Auditor and the School District for review or inspection, all invoices presented for payment pursuant to this Contract, all cancelled checks, Materials, invoices, vouchers, reports, work product, work papers, books, records and accounts upon which the invoices are based, and any and all documentation and justification in support of expenditures or fees incurred pursuant to this Contract. The Contractor acknowledges and agrees that any Auditor may inspect or review all of its Work and Materials, and all of its sites, locations and facilities related to its performance under this Contract. Inspection and review of Work and Materials shall take place at the offices of the Contractor in the City, or in another location with the Auditor's consent. The Contractor shall cooperate with all School District, City, Commonwealth and federal inspections and reviews conducted in accordance with the provisions of this Contract. The scope of such inspection and review of the Work and Materials, and sites, locations and facilities, including, without limitation, programs, lies in the sole discretion of the Auditor. Such inspection or review may include, without limitation, meetings with persons receiving services under this Contract, review of staffing ratios and job descriptions, and meetings with any of the Contractor's staff members who either directly or indirectly participate or participated in carrying out any of the Work, including preparing, delivering or installing any Materials.

c. *Retention and Availability of Records.* The Contractor shall retain all records, books of account and documentation pertaining to this Contract for the greater of (i) the period required by Applicable Law, or (ii) six (6) years following expiration or termination of this Contract; provided that if, however, any litigation, claim or audit commences prior to expiration of said six (6) year period, then the Contractor shall retain the records until all litigation, claims or audit findings have been completely terminated or resolved without right of further appeal. The Contractor shall make available, at the Contractor's office in the City or another Contractor office

in reasonable proximity to the City, at reasonable times during the Term and for the period set forth in this Section 12, all records pertaining to this Contract for the purpose of inspection, audit or reproduction by any Auditor. The Contractor shall provide such records without unreasonable delay when requested by an Auditor.

d. *Inspector General; Inspectors General.* The School District's Inspector General shall enjoy all the rights, powers and privileges of an Auditor under this Contract, and any and all additional rights, powers and privileges as provided by Applicable Law and by delegation from the Board of Education or other duly constituted authority having jurisdiction, e.g., a commission. The Contractor shall cooperate and comply with any audit or investigation by the School District's Inspector General, or by any City, Commonwealth or federal inspector general having jurisdiction, and any joint investigation. The Contractor and its partners, members, shareholders, directors, officers, employees, agents, contractors and Subcontractors shall cooperate fully with the School District's Inspector General by providing true, correct and complete information and records, as well as all necessary or appropriate assistance in any matter investigated by the Inspector General. In any investigation the School District's Inspector General shall have and enjoy complete and unimpeded access to all papers, workpapers, books, records, documents, information, personnel, processes, e.g., meetings, data, computer hard drives and networks, e-mail, text or instant messages, facilities and other assets owned, leased, licensed or used by or for the School District, including but not limited to information regarding the Contractor or other School District contractors, or any other Person involved in any way with the School District, as deemed necessary in performing investigative or audit activities pertaining in any way to the business, operations or public functions of the School District or the Board of Education, and in the custody of the Contractor or any Subcontractor.

13. *Indemnification; Litigation Cooperation; Notice and Defense of Claims.*

a. *Indemnification.* The Contractor shall indemnify, defend and hold harmless the School District, its officers, employees, agents and the members of the Board of Education and the Commission, from and against any and all losses and expenses, including, but not limited to, litigation and settlement costs and attorneys' fees and costs, claims, suits, actions, damages, and liability for or on account of actual or alleged loss of life, bodily injury, personal injury, damage to property, or the use of facilities or equipment furnished to the Contractor, that arise out of or are related to the performance or non-performance of the Work by the Contractor or the Contractor's agents, Subcontractors, assignees, independent contractors, employees or servants. The Contractor shall indemnify, defend and hold harmless the School District, its officers, employees, agents and the members of the Board of Education and the Commission, from and against any and all losses and expenses, including, but not limited to, litigation and settlement costs and attorneys' fees and costs, claims, suits, actions, damages and liability for or on account of actual or alleged violation of any third party's copyright, trademark, patent, trade secret or other valid proprietary right, employment discrimination, contamination of or adverse effects on the environment, intentional acts or omissions, failure to pay any Subcontractors or suppliers, any Event of Default under this Contract, and breach, if any, of any Subcontract, that arise out of or are related to the performance or non-performance of the Work by the Contractor or the Contractor's agents, Subcontractors, assignees, independent contractors, employees or servants.

b. *Indemnification; Contractor's Employees.* Except as set forth below in this subsection 13.b., this Section 13 does not require the Contractor to indemnify the School District to the extent of the School District's own negligent act or omission. This Section 13 protects the School District, its officers, employees, agents and the members of the Board of Education and the Commission from all claims arising during the Term asserted by employees, agents or workers of the Contractor or any Subcontractor who are injured on or by School District real or personal property, or who assert an employment claim of any kind against the School District, including but not limited to any claim or claims relating to the termination of employment, regardless of when the claimant makes the claim. Except as expressly set forth below in this subsection 13.b., the Parties shall not construe this Section 13 to alter, limit, negate, abridge or otherwise reduce any other right or obligation that would otherwise exist as to any Party or Person described in this Contract. This Section 13 functions independently of the Contractor's or its Subcontractors' insurance or lack thereof, and the Parties do not intend that rights set forth in this Section 13 be deemed limited by the Pennsylvania Worker's Compensation Act. This Section 13 shall apply, particularly, but not exclusively, to the claims of the Contractor and all of its Subcontractors, and all of their respective officers, agents, representatives and employees,

against the School District, its officers, employees and agents, and the members of the Board of Education and the Commission. The Contractor and all of its Subcontractors, and all of their respective officers, agents, representatives and employees, shall have no claim against the School District, its officers, employees and agents and the members of the Board of Education or the Commission, for the acts, failures to act or negligence of the School District, or its officers, employees and members of the Board of Education or the Commission.

c. *Defense of Claims.* The Contractor shall defend all claims described in subsections 13.a. or 13.b. above with competent and experienced counsel acceptable to the School District. If the Contractor fails to assume the defense of any and all claims described in subsections 13.a. or 13.b. above within fifteen (15) days of notice from the School District, or if within such fifteen (15)-day period actual prejudice may occur if action is not taken, then at the Contractor's cost and expense, the School District may undertake the defense, compromise or settlement of any such claims or consent to the entry of a judgment with respect to such claims, on behalf of and for the account and risk of the Contractor, and the Contractor shall thereafter have no right to challenge the defense, compromise, settlement or consent to judgment of such claims by the School District.

d. *Litigation Cooperation.* If at any time, including after the expiration or earlier termination of the Term, the School District becomes involved in a dispute or receives notice of a claim, or is involved in litigation concerning the Work and Materials provided under this Contract, the resolution of which requires the services or cooperation of the Contractor, and the Contractor does not otherwise have a duty to indemnify and defend the School District pursuant to the provisions of subsection 13.a. above, the Contractor shall provide such services and shall cooperate with the School District in resolving such claim or litigation as part of the Work and Materials under this Contract.

e. *Notice of Claims.* If the Contractor receives notice of a legal claim against it in connection with or in any way related to this Contract, the Contractor shall (i) submit appropriate written notice of such claim to its insurance carrier within the time frame required for submission of claims by the applicable insurance policy and, (ii) within five (5) business days of receipt of notice of the claim, give notice of the claim to the School District.

14. *School District Statutory Immunity.* Any other term, covenant or condition of this Contract to the contrary notwithstanding, the School District, its officers, employees and agents and the members of the Board of Education and the Commission, retain their statutory governmental, official and any other immunity provided pursuant to Applicable Law, including 42 Pa. Cons. Stat. Ann. §§ 8501 and 8541 *et seq.*, as amended. The Contractor acknowledges and agrees that the School District (a) is a Local Agency, as defined in 42 Pa. Const. State. Ann. §§ 8501 and 8541; and (b) does not waive, nor have the power to waive, for itself or for its officers, employees, or for the members of the Board of Education or the Commission, by way of indemnity or otherwise, the defenses of governmental, official or any other immunity derived from said statutes or provided by Applicable Law.

15. *Insurance.* Prior to the commencement of any of the Work and until the latest of completion of the Work, final payment by the School District, or final acceptance of the Work, the Contractor shall provide and maintain the following minimum levels of insurance at the Contractor's own expense. The Contractor shall include in its bid, proposal, or quote its cost of the required insurance; the Parties shall make no adjustment to the Compensation on account of these insurance costs. The term "Contractor" shall include Subcontractors and Sub-Subcontractors at every tier. The Contractor shall deliver to the School District a certificate or certificates of insurance evidencing and reflecting the effective date of coverage, as set forth below in subsection 15.e. In no event shall the Contractor commence or permit commencement of any of the Work unless and until the Contractor delivers and the School District has approved the required evidence of insurance in conformity with this Contract. If the School District finds the Contractor's evidence of insurance non-compliant, the School District shall have the right, but not the duty, at its discretion, to purchase the required insurance coverage or coverages, at the sole cost and expense of the Contractor, by set-off against Compensation accrued or accruing, or through the Contractor's direct payment or reimbursement to the School District. The School District by notice or other communication may require additional coverage or coverages, or higher coverage limits, aggregate limits or sub-limits, at any time during the Term if in the School District's sole judgment a risk or risks warrant such additional coverage or limits.

a. *Rating.* The Contractor shall procure all insurance from insurers permitted to do business in the State in which the Work takes place, having an A.M. Best Rating of at least "A-, Class VIII".

b. *Self-Insured Retention.* The Contractor shall not have a Self-Insured Retention ("SIR") on any policy greater than \$50,000; any and all SIRs shall remain the Contractor's responsibility. In the event any policy includes an SIR, the Contractor shall provide the additional insured requirements specified herein within the SIR.

c. *Occurrence Basis.* The Contractor shall ensure that its insurer or insurers write all insurance required hereunder, with the exception of the Professional Liability Insurance, on an "occurrence" basis. Claims-Made coverage must include:

- i. a retroactive date on or prior to the start of Work under this Contract; and
- ii. "tail coverage/an extended reporting period" or coverage for a period of three (3) years subsequent to the later of completion of the Work or final payment.

d. *Notice of Cancellation or Non-Renewal.* The Contractor's insurance carrier or carriers each shall agree to provide at least thirty (30) days prior written notice to the School District in the event of any cancelation or non-renewal of any coverage. In the event of cancellation or non-renewal of any coverage or coverages, the Contractor shall replace any such coverage or coverages so as to comply with the insurance requirements set forth in this Contract, with no lapse of coverage for any time period. In the event the Contractor's insurance carrier or carriers do not issue or endorse their policy or policies to comply with this subsection 15.d, above, the Contractor shall give notice to the School District of its receipt of any notice of cancellation or non-renewal at least thirty (30) days prior to the effective date of the proposed cancellation or non-renewal.

e. *Certificates.* The Contractor shall deliver to the School District the required certificate or certificates of insurance, evidencing the insurance coverages required under this Contract, at least ten (10) days prior to the start of the Work and thereafter promptly before or on renewal or replacement of each coverage. The Contractor shall not begin any Work until the School District has reviewed and in its discretion approved the certificate of insurance. The required insurance shall not contain any exclusions or endorsements unacceptable to the School District. The Contractor shall send all certificates of insurance to:

The School District of Philadelphia
Office of Risk Management
440 North Broad Street, Suite 325
Philadelphia, PA 19130-4015
Attn.: Riccardo Zucaro, Director of Insurance Risk Management
E-mail: [REDACTED]@philasd.org and [REDACTED]@philasd.org

Failure of the School District to demand these certificates or other evidence of full compliance with these insurance requirements or failure of the School District to identify a deficiency from evidence that is provided shall not constitute a waiver of the Contractor's obligation to maintain such insurance.

With respect to insurance maintained after final payment in compliance with a requirement below, an additional certificate(s) evidencing such coverage shall be provided to the School District with final application for payment and thereafter upon renewal or replacement of such insurance until the expiration of the time period for which such insurance must be maintained.

f. *Additional Insured.* The Contractor shall add the School District, and such other public entities as the School District may require, as additional insureds on all liability policies, except Workers' Compensation and Professional Liability Policy, where applicable, for ongoing operations and completed operations, using ISO Endorsements CG 2010 and CG 2037, or their equivalents, on a primary noncontributory basis. Coverage shall include ongoing and completed operations. Each of the additional insured's respective directors, officers, board members, employees, agents and representatives shall also constitute covered additional insureds. The Contractor and its insurer or insurers shall provide coverage for a period of three (3) years subsequent to the later of completion of Work or final payment. The School District reserves the right to require the Contractor to name other parties as additional insureds. There shall be no "Insured versus Insured Exclusion" on any policies (other than "Named Insured versus Named Insured"); all policies will provide for "cross liability coverage", per standard ISO policy forms.

g. Waiver of Rights of Subrogation. The Contractor shall waive all rights of recovery against the School District and all the additional insureds for loss or damage covered by any of the insurance maintained by the Contractor.

h. No Limitation of Liability. Neither the Parties nor any tribunal or adjudicatory body shall or may construe the amount of insurance set forth in the insurance coverages required in this Section 15, as a limitation of the liability of the Contractor. The carrying of insurance as set forth in this Section 15 shall not relieve the Contractor of any duty or liability under the Contract, except to the extent of insurance proceeds paid. Any type of insurance, or any increase in limits of liability, not described above, which the Contractor requires for its own protection or on account of statute shall be its own expense.

i. Notice of Accidents, Claims and Suits. The Contractor shall promptly notify the School District and the appropriate insurance company(ies) in writing of any accident(s) as well as any claim, suit or process received by the Contractor arising in the course of operations under the Contract. The Contractor shall forward such documents received to its insurance company (ies), as soon as practicable, or as required by their insurance policy(ies).

f. Data Breach. The Contractor shall promptly and timely, within twenty-four (24) hours of becoming aware, disclose to the School District any suspected or known occurrence of any misuse or wrongful disclosure of Confidential Information or any other information which identifies students, employees or officers of the School District, including but not limited to system breaches that may adversely affect the School District or the School District's students, employees or officers.

b. License; Preexisting and Independently Developed Materials. For the duration of the Term, as the Parties may agree to extend it, the Contractor hereby grants, and shall require its Subcontractors, if any, to grant, to the School District the irrevocable, royalty-free right to reproduce, distribute copies of, adapt, display, perform, translate, and publish, throughout the universe, in any medium now known or hereafter invented, all Materials and works of authorship, including without limitation studies, media, curricula, and other things of any nature, developed or delivered to the School District pursuant to this Contract. 18. Conflict of Interest.

a. Disclosure of Conflict of Interest. The Contractor represents, warrants and covenants that it has no public or private interest which does or may conflict in any manner with the performance of the Work and that neither it, nor any of its directors, officers, members, partners, employees or Subcontractors, has or shall during the Term acquire, directly or indirectly, any such interest. ii. The Contractor's (a) filing for bankruptcy, (b) making any assignment for the benefit of creditors, (c) consent to the appointment of a trustee or receiver, (d) insolvency, as defined by Applicable Law, or (e) the filing of an involuntary petition against the Contractor under the Federal Bankruptcy Code or any similar state or federal law which remains undismissed for a period of forty-five (45) days.

v. Failure of the Contractor to provide, within five (5) business days, assurance reasonably acceptable to the School District that it can perform the Work in conformity with the terms of the Contract if (a) the School District has a reasonable basis to believe at any time during the Term that the Contractor will not be able to perform the Work, and (b) the School District demands in writing assurance of the Contractor's performance.

vi. Misappropriation by the Contractor of any funds provided under this Contract or failure by the Contractor to notify the School District upon discovery of any misappropriation.

vii. Indictment of or other issuance of formal criminal charge or charges against the Contractor, or any of its directors, employees, agents or Subcontractors or any of the directors, employees or agents of a Subcontractor or any criminal offense or any other violation of Applicable Law directly relating to this Contract, the Work or the Materials, or which adversely affects the Contractor's performance of this Contract in accordance with its terms, whether or not a court of law or other tribunal ultimately accepts a verdict or plea of guilty or no contest regarding the charged offense or offenses.

viii. Debarment or suspension of the Contractor or any director, agent, employee or Subcontractor of the Contractor, or any Person controlling, under common control with, or controlled by, the Contractor under a federal, state or local law, rule or regulation by any federal, state or local governmental entity, including but not limited to the School District.

ix. Failure by the Contractor to comply with any term, covenant or condition set forth in Section 4 above, or the breach of any of the Contractor's representations and warranties set forth in subsection 22.f., below.

b. Notice and Cure. If the Contractor commits or permits any Event of Default, the School District shall notify the Contractor of its determination that an Event of Default has

occurred. The Contractor shall have ten (10) business days from receipt of that notice, or such additional cure period as the School District may authorize in its sole discretion, to correct the Event of Default; provided, however, that no such notice from the School District or period of cure shall be required before invoking the remedies described in subsection 19.c. below if: (i) the Contractor has temporarily or permanently ceased performing the Work; (ii) an emergency has occurred relating to the Work, and that emergency requires immediate exercise of the School District's rights or remedies, as determined by the School District in its sole discretion; (iii) the School District has previously notified the Contractor more than once in the preceding twelve (12) month period of any Event of Default under this Contract; (iv) an Event of Default occurs as described in subsection 19.a. vi., vii., or viii. above; or (v) the Contractor breaches any of its obligations under Sections 2 or 9 above. Nothing set forth in this subsection 19.b. shall limit the School District's rights under subsection 19.c.

c. Remedies. If the Contractor does not cure the Event of Default within the period allowed by the School District, or if the Contractor commits or permits an Event of Default for which subsection 19.b. above provides no notice or period of cure, then the School District may, without further notice or demand to the Contractor, and without waiving or releasing the Contractor from any of its obligations under this Contract, invoke and pursue any or all of the following remedies:

- i. terminate this Contract by giving the Contractor a Termination Notice.
- ii. perform, or cause a third party to perform, this Contract, in whole or in part. The Contractor shall be liable to the School District, as damages, for all expenses incurred by the School District or a third party pursuant to this subsection 19.c.ii., together with interest at the prime rate of interest as published from time to time by the *Wall Street Journal*, plus five percentage points (5.0%). Accordingly, the Contractor acknowledges that, in addition to all other remedies, the School District shall have the right to enforce the terms of this Contract by a decree of specific performance or an injunction, or both, restraining a violation, or attempted or threatened violation, of any term, covenant or condition set forth in of this Contract, without the necessity of posting bond or other security or of proving the inadequacy of money damages.

e. Concurrent Pursuit of Remedies. The School District may exercise any or all of the remedies set forth in this Section 19, each of which the School District may pursue separately or in conjunction with any other remedy or remedies, as the School District shall determine. The School District may in its sole discretion elect not to exercise any of the above remedies and may permit the Contractor to continue to perform the Work. No extension or indulgence granted by the School District to the Contractor shall operate as a waiver of any of the School District's rights in connection with this Contract.

20. Termination for Convenience. The School District may terminate this Contract for its convenience, that is, for any reason or for no reason at all, at any time, in its sole discretion, without penalty, cost or liability to the School District, by delivering a Termination Notice upon fourteen (14) days prior notice to the Contractor of the School District's termination of this Contract. If the School District terminates this Contract, the School District shall pay the Contractor for any Work satisfactorily completed before the effective date of termination, but in no event shall the Contractor have any right to receive costs caused by or related to loss of profits for Work that the Contractor did not perform because of the early termination, or for loss of profits for services the Contractor could have performed for other Persons absent its engagement under this Contract.

In each case the Parties shall send notices to the other Party's representative as set forth in and at the addresses set forth in Section 6 of the Agreement for Services. The Parties shall not transmit notices required under or in connection with this Contract by electronic mail, unless the transmission clearly and prominently states in bold-faced text set off for immediate visibility, "this is a legal notice under Contract". Title: Contract with Center for Black Educator Development - Summer Programming (\$99,999) - Added 5.6.2022

Board of Education Meeting Date: 5/26/2022

Action under consideration

The Administration recommends that the Board of Education authorize The School District of Philadelphia, through the Superintendent or his designee, to execute and perform a contract, subject to funding, as follows:

With:

The Center for Black Educator Development

Purpose:

Freedom Schools Literacy Academy, a five-week in-person summer program

Start date: 5/31/2022

End date: 9/1/2022

Compensation not to exceed: \$99,999

Location:

Duckrey, Tanner G. School

Renewal Options: No

Description:

Each year, the School District of Philadelphia and its partner organizations offer a variety of summer programs to ensure that students, especially those most vulnerable to experiencing summer learning loss, have the opportunity to continue learning during the summer months. The Center for Black Educator Development will provide the Freedom Schools Literacy Academy (FSLA), a five-week in-person summer program that is based around developing a context of understanding culture. The Freedom Schools Literacy Academy integrates proven best practices with a culturally responsive, affirming, and sustaining early-literacy curriculum that is aligned with the District's Academic Framework. During the program, expert educators will coach aspiring college student-teachers and work with high school apprentices interested in exploring careers in education to provide up to sixty participating rising 1st through third-grade students the personalized literacy boost they each need.

Reading is a bedrock skill for success in school, college, the workplace, and life. Studies show students' higher racial-ethnic pride correlates with higher achievement as measured by grades and standardized test scores. They also show that when Black students have Black teachers, they do better in school. When they have one Black teacher by 3rd grade, they're 13% more likely to enroll in college. With two Black teachers in the mix early on, that stat jumps to 32%.

The Freedom Schools Literacy Academy was designed to address educational inequalities and our nation's racist history that have created unconscionable achievement gaps. The FSLA model supports the District's goal that every student reads on or above grade level and every student graduates ready to succeed in college, work, and life. Additionally, the District is taking critical steps toward addressing racist practices to ensure students' potential will not be limited by practices that perpetuate systemic racism and hinder student achievement. The Freedom Schools Literacy Academy lifts this work by meeting the unique needs of young Black and Brown children from disenfranchised communities while at the same time strengthening the school-to-activism pipeline for the next generation of exceptional educators.

The Office of Academic Supports (OAS) will work with the Office of Research and Evaluation to conduct a program evaluation of the summer programs organized by OAS. The final report will provide a summary of the summer programs, including information about enrollment and attendance, and findings from surveys and observations. The successes and challenges of program implementation will provide insights and guide implementation for summer 2023.

While this will be the District's first time contracting with the Center for Black Educator Development to implement the Freedom Schools Literacy Academy, data is available that supports a strong track record of success in urban settings. In the summer of 2021, FSLA programming was offered to 288 elementary students, 78 high school students, and 54 college students. The following are highlights from the 2021 results.

Scholars: 1) Gains in Early Literacy Skills. Students in grades 1-3 increased their reading ability by an average of 2.29 levels in the Friends on the Block Literacy Curriculum, an early literacy intervention (a 33% increase from level 6.96 to 9.25 in five weeks). Students with higher pretest scores increased an average of 1.7 levels, and students with lower pretest scores increased an average of 2.6 levels. 2) Increase in Positive Racial Identity. Elementary students were given a pictorial self-report scale of ten items in which they could comment on their attitudes on racial identity, reading, schoolwork, effort, adults, and knowledge of Black books and history. They reported increases in all ten items from before to after FSLA. There were statistically significant increases in the total score on knowing books about Black people, learning about the successes of Black people, and doing the best work they can at school. Correlations among these attitudes were calculated before and after

FSLA. Before FSLA, high ratings on the item, "I am Happy I am Black/Brown" were significantly correlated with high ratings on "Adults Care about Me." After FSLA, high ratings on "I am Happy I am Black/Brown" were significantly correlated with high ratings on "I do the Best Work That I Can at School," "I am Special," and "I Know Some Books Written about Black People." This pattern suggests that after FSLA, Black early elementary students associate being Black/Brown with hard work, being special, and knowledge of their racial heritage.

High School Students: 1) Increase in Positive Racial Identity. High school students reported statistically significant increases in positive racial identity, specifically in learning about their history, traditions, and customs, thinking about how their life will be affected by their ethnic group membership, and having a strong sense of belonging to other Black/Brown people. 2) Increase in Academic Self-Efficacy. High school apprentices showed statistically significant growth in areas of academic self-efficacy, mindset, habits of mind, and strategies for academic and personal success. In addition, 90% agreed that participating in the program will help them focus more on their education; 92% agreed they know they can complete difficult tasks; 93% agreed that even when things are tough, they can perform quite well; 95% agreed they know what to do when they come across difficult reading content; 89% agreed that they acquired the academic skills to do whatever they decide to do; 86% agreed they have strategies to handle academically challenging tasks; 88% agreed that when they need help they know how to ask for it; and 84% agreed that they believe they are developing strategies that will help them overcome challenges.

During the summer of 2022, up to 60 rising 1st through 3rd-grade students and up to 12 high school students will participate as scholars and apprentices. The program will take place at Duckrey Elementary and participation will be open to all District students. The success of this summer's literacy academy will impact future programming decisions.
