SCHOOL DESCRIPTION:

Located at the heart of beautiful and cosmopolitan Shenzhen City, Thomas Jefferson International School (Shenzhen) sets out to bring out the best in every student, both academically and holistically.

Shenzhen city is highly accessible from all parts of China and boasts an efficient public transport network. It is connected via a 14-minute bullet train ride to Hong Kong.

Thomas Jefferson International School (TJIS) is looking for determined and committed teachers and principal who possess compelling values, skills and knowledge to help build and strengthen our growing international program. We recently formed a strong partnership with TJPF, and will be working ever more closely with TJ to align our standards and curriculum. We have in place a set of rigorous selection processes to identify some of the best and brightest students in China to be enrolled in TJ Shenzhen. We are now seeking full-time instructors that are familiar with TJ standards-based curriculum and capable of delivering the knowledge and expertise to our highly motivated students and prepare them for further academic studies.

If you are an enthusiastic, versatile individual who wants to work in a collaborative and diverse academic setting with highly motivated students, come and join us!

Faculty instructor- AP Chemistry, IBET(Biology, English, Design & Technology), AP Computer Science, History, Math

Required Skills/Certifications

- Bachelor's Degree or higher in related subject
- **At least 1 year teaching experience as a TJHSST teacher of record**
- Strong interpersonal skills
- Ability to work on a team
- Ability to work with persons from different cultures
- Ability to teach Advance Placement courses
- Teaching Certificate preferred (or ability to obtain one)

Additional Skills/Certifications

- Interdisciplinary teaching expertise desired
- Experience conducting research or mentoring students through a formal research process.
- Experience in curriculum design and evaluation with an emphasis on student centered investigative laboratory experiences.
- Experience working with gifted/advanced students in an accelerated system.

Meanwhile, we would also like to extend a warm welcome to any school management members with TJ experience who would be willing to take up the following positions in TJIS Shenzhen:

Principal/Vice-Principal

Qualifications/Certifications

- Master's degree or Ph.D. in Educational Management or degree in a relevant education industry
- 3-5 years' experience as Deputy Principal or Department Head (TJ School experience strongly preferred)
- Culturally sensitive, flexible, and resilient
- Demonstrated leadership skills and abilities
- Highly knowledgeable in TJ or IB curriculum
- Focus on driving results and continual improvement
- Deep passion for connecting with students and families in support of students success

SALARY:

- 25-35% higher than last drawn salary in TJ, depending on experience level, qualifications, and subject taught.
- Salary amounts are before tax.
