Dear █████████████,

My name is ███████████████, I am a Science Teacher Currently working with A+ World Academy. I have been offered a job with Thomas Schools of China, which states that Mr Georffery Jones (Founding principal of TJHSST) and a group of senior and experienced experts from your school are working as advisors of the Shanghai Thomas School to mirror the essence of your STEM education
I would appreciate if you could inform me ti what degree your staff or the school itself collaborates with Shanghai Thomas Schools to achieve this goal.

I understand you must be extremely busy, however, I would appreciate your inside view to the school.

Kind Regards,

███████████████

Marcy, can you please add to the 5/14 Chief agenda – Interactions between TJHSST & Thomas Schools (in China). ██████ & ██
█████████ (principal at TJ) need to be present.

I will send an invite to ██████ & ████ to hold the whole Chief's time, but I will adjust once we know the timeframe of discussion.

Thanks!

Hi ███████,

Thank you for scheduling this important follow up with Cabinet on 5/23. We do not foresee the need for more than 20 minutes. ████y has a well-crafted summary memo almost ready to go and we need to bring this memo to Cabinet for further analysis. Here are some ideas for the agenda:

OK, I will put on 5/23 Cabinet agenda to give ████ enough time to rearrange her schedule. ████, how much time and what is the desired outcome? I should also include ████y, correct?

No, it was decided only to take to Cabinet (no Chiefs). You will only be needed on 5/23 somewhere between 9 and 12☺.

Hi, ████y.

My schedule is surprisingly open that day and I can accommodate whatever works for Cabinet. Thank you for asking.

And as a point of clarification, if I'm understanding correctly, there is still a meeting for me with Chiefs on 5/14 and you will get back to me about the time. Then there is a Cabinet meeting on 5/23. Two meetings. Correct?
