Contractor shall have a continuing obligation, after said Contract period, to comply with any provision of this Contract intended for District’s protection or benefit, or that by its sense and context, is intended to survive the completion, expiration or termination of this Contract.
- 1.2 Contractor understands that NO WORK SHOULD BEGIN UNDER THIS CONTRACT until all required signatures on this Contract have been obtained and the Contract has been authorized and/or approved by the District’s Board. Any work performed by Contractor prior to such time shall be considered as having been performed at Contractor’s OWN RISK and as a volunteer.

2 SCOPE OF WORK

- 2.1 Contractor shall perform all of the services set forth herein and any exhibits attached hereto as **Exhibit A** (“Scope of Work”). Contractor understands that time is of the essence in this Contract and agrees to meet all milestones indicated in this section, in the Contract herein and any exhibits attached hereto.

3 CONSIDERATION AND TERMS OF PAYMENT

The consideration for all services (and goods if any) performed or supplied by Contractor under this Contract shall be paid by the District as described below.

3.1 *Total Obligation*

District’s total obligation to Contractor under this Contract, including compensation for goods, services, and reimbursable expenses shall not exceed \$280,000. Contractor shall

not receive any additional reimbursement for materials or subsistence expenses incurred in the performance of this Contract.

3.2 Frequency of Invoicing and Terms of Payment

Subject to the conditions herein, payment shall be made by District within thirty (30) days upon receipt of Contractor's invoice for goods delivered or services rendered pursuant to this Contract. The Contractor's standard invoice shall be submitted after satisfactory completion of services on a monthly basis. District has no obligation to pay for services that are not satisfactorily performed or performed in violation of federal, state or local law, ordinance, rule or regulation. In the case of a dispute about satisfactory performance of services, the parties agree to work in good faith to resolve any disputes. If either party does not dispute an invoice in writing within 180 days of receipt of the invoice, no action challenging the invoice may be taken.

As applicable, for all agreed upon work performed by Contractor or Contractor's personnel in the provision of goods and/or services stipulated herein, District shall pay Contractor at the hourly or per diem rates as set forth in the applicable **Exhibit B**. Payment shall be made to Contractor based on the hours recorded provided such hours are in accordance with the terms of this Contract. Notwithstanding anything to the contrary, and without limitation, District has not promised or guaranteed any minimum amount of work, and Contractor understands and acknowledges the same. District has no obligation to pay for overtime or holiday work, nor will it pay premiums for overtime and holidays.

3.3 Taxes.

District is exempt from paying Minnesota sales and use taxes on certain purchases, as provided in Minnesota Statute, Section 297A.70. Contractor shall not charge the District for such sales and use taxes. Alternatively, Contractor shall be responsible for the payment of any and all sales taxes to the Minnesota Department of Revenue relating to the following taxable items sold pursuant to this Contract; construction materials, leasing of motor vehicles, food and lodging, [See Minnesota Statute 297A.70]. Contractor shall promptly reimburse District for any and all such sales and use taxes paid by District to any governmental authority on behalf of Contractor including penalties and interest with respect thereto, and including any and all expenses (including attorneys' fees) or damages that result from a failure by Contractor to properly remit or reimburse District for any and all such sales and use taxes provided above.

District may be obligated by state and federal law to withhold state and federal taxes from the consideration stated herein. These taxes may consist of, but are not limited to, the Minnesota state entertainer tax, Minnesota state nonresident withholding tax, federal withholding on payments to foreign nonresident aliens, and federal backup withholding.

3.4 Fund Availability; Federal Funds Contingency.

Financial obligations of District payable after the current fiscal year are contingent upon funds for that purpose being appropriated, budgeted and otherwise made available. If this Contract is funded in whole or in part with federal funds, District's payment obligations

are subject to and contingent upon the continuing availability of federal funds for the purposes hereof.

4 GENERAL TERMS AND CONDITIONS

4.1 The terms and conditions contained in this Contract shall govern and shall take precedence over any different or additional terms and conditions which Contractor may have included in any documents attached to or accompanying this Contract. Any handwritten changes on the face of this document shall be ignored and have no legal effect unless initialed by all parties. If this Agreement was made pursuant to a Request for Proposal (RFP) or Request for Information (RFI), the following order of precedence shall apply: (1) this Contract and its Exhibits, (2) District's RFP or RFI, and (3) Contractor's Response to District's RFP or RFI.

Exhibit A:

Deliverables:

The 2.5 Day Academy is a rich, deep, research-driven curriculum for education leaders at every level. Such profound learning happens when school leaders gather in the same learning space to discuss the CRSL curriculum. Our curriculum offers five basic learning modules that match the prevailing literature on culturally responsive school leadership. Filled with pre-readings, practitioner activities, un-learnings and re-learnings, theorizing, critical self-reflections on leadership practice, distributed and shared leadership activities, and equity data analysis, the Academy is the first of its kind.

Service Outcome:

Participants walk away with deep knowledge, readily usable tools, and new skill sets that will lead to both short and long-term shifts in practice. Those shifts lead to schools becoming more humanizing spaces for minoritized students.

Method of Evaluation:

Successful completion of the 2.5 days for all participants. Evaluation/feedback collected from academy participants.
