**SCOPE AND SPECIFICATIONS OF THE PROPOSAL**

*Your response value:*

**Amplify Reading**

Students gain knowledge of content-specific vocabulary through several vocabulary games that they play in Amplify Reading. For example, students in grades 3-5 learn the meanings of high-utility vocabulary words that occur across disciplines (i.e., Tier 2 words) in narrative multiple choice and synonym/antonym activities. High utility words were selected from the grade-level curricular vocabulary lists in Texas ELAR. Words from these lists that could appear across multiple contexts and domains and could be defined with student friendly definitions were chosen as target vocabulary.

**SLAR**

Amplify Texas SLAR is a Spanish Language Arts Program developed by a bilingual team of writers, editors, designers and illustrators from across the Latin American diaspora to meet the needs of dual language and bilingual students and teachers in the USA. In K-2

the program is organized in two strands:

-The Knowledge Strand (Conocimiento K-3): develops language comprehension by engaging students in interactive read-aloud texts which build both background knowledge and vocabulary.

-The Skills Strand (Habilidades y Destrezas K-2, currently in development:) develops word recognition through explicit and systematic foundational skills instruction in phonological and phonemic awareness, phonics, grammar, and writing. Skills instruction supports students in the development of phonemic awareness, the alphabetic principle.

Grades 3-5 offer Skills and Knowledge integrated units that will let students move fluidly between reading, writing, speaking and listening, and language activities.

**ELAR**

The Amplify Texas Elementary Literacy Program's sequence has been intentionally developed to further deepen students' vocabulary. Amplify Texas students receive explicit vocabulary instruction, but because they are immersed in rich content domains, they also encounter a wide range of vocabulary related to those domains. As students acquire knowledge of diverse topics in science, social studies, and the arts, they also inevitably acquire the vocabulary necessary to speak about those topics with clarity, depth, and nuance. Amplify Texas takes a multifaceted approach to vocabulary development. Vocabulary is carefully chosen according to domain content (Tier 3 vocabulary), appropriate and transferable academic vocabulary for textual analysis and writing (Tier 2 vocabulary), and links to decoding and encoding instruction (Tier 1 vocabulary).

Academic vocabulary is also learned implicitly, with opportunities and instructions to use Tier 2 vocabulary throughout the lessons. Through the Knowledge Strand's Read-Alouds, students develop a broad, deep, and flexible vocabulary that prepares them to read increasingly complex texts and write with precision and detail. In addition to using their expanding vocabulary, students use academic English in complete sentences to further solidify syntactic connections. Immediately following most Read-Aloud lessons, there is a five-minute Word Work activity which provides in-depth focus on a specific vocabulary word from the text. Students review the word, its meaning, and an additional context for using the word.

**mCLASS**

mCLASS includes a vocabulary measure that assesses a student's general vocabulary knowledge. It assesses a student's depth of knowledge of a set of grade level high frequency and high utility words that are used across domains and content specific words and the ability to make meaning of words encountered in text.

**SCOPE AND SPECIFICATIONS OF THE PROPOSAL**

*Your response value:*

A strong literacy program is not just about a reading program or an assessment tool: a strong literacy program brings together curriculum, instruction, regular practice, intervention, and assessments that measure where students are, where they need to go, and what is needed to boost reading growth. Amplify has brought these components together in an early literacy suite of curriculum, assessment, and intervention to ensure that you have what you need for multi-tiered support that includes all of these necessary elements, all based in the latest science of reading research. As partners in the science of reading, our programs, events, and podcasts help tens of thousands of educators make the shift. As the leader in the science of reading, Amplify provides the only comprehensive suite built on the latest research.

Amplify Reading

- Amplify Reading is grounded in the same scope and sequence of Texas ELAR, while providing students with digital, differentiated instruction to meet them at their individual level. Wherever students are, Amplify Reading incorporates the basic principles of effective systematic and explicit instruction for all learners. Instruction in Amplify Reading capitalizes on the benefits of computer-based instruction to implement these instructional methods. Instructional routines are explicit and scripted according to what a highly skilled teacher or interventionist would do and say to present a new skill and in response to both correct and incorrect student responses, allowing all students equal opportunity to experience evidence-based instructional practices.

SLAR

-AmplifyTexas SLAR supports access to the curriculum for all learners. The Texas Vertical Alignment documents have been reviewed in the formulation of units to ensure prior knowledge has been considered as an entry point to the curriculum for diverse learners, including those with identified physical and/or learning disabilities, whenever possible.

Teachers of students with disabilities should adhere to the Texas Education Agency Instructional Supports for Students with Disabilities in the implementation of this literacy program. Tasks for Universal Access are included in each lesson segment.

ELAR

-Amplify Texas Elementary Literacy Program supports access to the curriculum for all learners, to include scaffolding for students with disabilities. The Texas Vertical Alignment documents have been reviewed in the formulation of units to ensure prior knowledge has been considered as an entry point to the curriculum for diverse learners, including those with identified physical and/or learning disabilities, whenever possible. Teachers of students with disabilities should adhere to the Texas Education Agency Instructional Supports for Students with Disabilities in the implementation of this literacy program. Tasks for Universal Access are included in each lesson segment.

mCLASS

-mCLASS supports intervention for special populations by measuring key reading skills and automatically grouping students, based on screening outcomes. Students are placed in groups with other students with similar profiles. Once grouped, mCLASS provides targeted teacher-led activities for each group based on those students' specific needs and will also provide activities for students that are excelling. Hundreds of activities are available and are also available organized by grade and skills within grade.

**SCOPE AND SPECIFICATIONS OF THE PROPOSAL**

*Your response value:*

Amplify's captivating core and supplemental programs in ELA engage all students in rigorous learning and inspire them to think deeply, creatively, and for themselves. Our formative assessment and intervention products turn data into practical instructional support to help students at every skill level build a strong foundation in early reading.

Amplify Reading

Every student in the same grade experiences the same storyline in Amplify Reading, but the instructional content they receive is based on their individual needs as a reader. As students move into upper elementary, they work on skills at their level alongside on-grade level texts and vocabulary with embedded supports. Each individual student's path through Amplify Reading's learning map is unique to them, as it leverages the power of adaptive technology to analyze a student's performance every step of the way to determine whether their personalized path needs to adjust to meet them where they are. All of this happens instantaneously behind the scenes, thus saving saves teachers' time while giving them the insights and resources they need to bolster student learning at any point in time.

ELAR/SLAR

In accordance with the Texas State Plan for the Education of Gifted/Talented Students, Amplify Texas ELAR/SLAR Programs provide opportunities for students to explore areas of interest within Knowledge domains through guided and independent research. Additionally, the learning experiences encourage advanced-level products and/or performance tasks such as those in the Texas Performance Standards Project (TPSP), whenever applicable. Challenge tasks for all learners are included in each lesson segment. Culminating activities and Pausing Points provide excellent opportunities for enrichment, remediation, and project-based learning. Teacher Guides provide directions for a variety of activities that can be used during Pausing Points which offer suggestions for project-based learning and research.

During the Application segment of the K-2 Knowledge Strand lessons, student activities are scaffolded to collectively research and integrate content within and across different domains and grade levels. For example in Kindergarten students collectively keep a weather diary based on daily weather observations. In Grade 1, students assume the role of a reporter and write news articles about historical events such as the Boston Tea Party (El mot65533;n del t65533; de Boston). Grades 365533;5 include a number of research and other longer term projects. During this time, students can identify areas where they still have questions and use the Internet, classroom library, or other resources to conduct research.

Teachers have access to the Amplify Texas Teacher Resource site that contains digital versions of all the teacher and student materials, including Teacher Guides, Student Readers, Digital projections, e-books, audio recordings, and other materials. Students have access to immersive, multimedia Quest units in grades 3-5 that increase student engagement through collaboration, competition, self-expression, and sensory experiences.

mCLASS

Teachers immediately have access to the student65533;s scores on their device. Once the teacher has an internet-connection, the data flows to mCLASS. Teachers will then have immediate access to easy to interpret, web-based reports and instructional planning tools and resources.

**Amplify Reading**

Amplify Reading provides teachers with insights into the usage, progress and performance their students make daily, weekly and monthly in online instruction. Students see a view of their progress aimed at giving them a holistic view of their growth across skills that contribute to becoming a powerful reader, while also providing insight into areas of strength and weakness as they move through.

**SLAR**

- Teacher materials in Amplify Texas SLAR contain detailed information about grade level and unit level assessments, including how to administer, score, analyze, and interpret student performance for grouping and placement purposes.

Formative assessments are clearly marked throughout each unit for monitoring individual student performance and progress in key skills. Teachers collect and analyze student performance on specific activity pages and/or observe and record individual student performance using the provided formal observation records.

Lessons also include quick Checks for Understanding/65533;Verificar la comprensi65533;n65533; to evaluate both individual and overall classroom performance. Daily comprehension checks, as well as orthography and writing evaluations are also part of the lessons. Critical resources in the framework for data-based decision making are included in both Nivelaci65533;n and Recursos para el maestro sections in unit TGs.

**ELAR**

- Amplify Texas has a progression of moment-by-moment to benchmark assessments. Checks for Understanding are designed to allow you to adjust instruction within the context of the lesson. Formative Assessments range from in-the-moment adaption to opportunities for individual, small group, and whole class reteach and review. Checks for Understanding and Formative Assessments also provide information to decide whether additional supports and practice (found at the end of the lesson and in the additional guides) are appropriate. Student performance data from mid-unit, end-of-unit, and benchmark assessments should be used to help differentiate during core instruction or during small group time and Pausing Point days.

**mCLASS**

mCLASS provides proven early literacy benchmark and progress-monitoring assessments for grades K65533;6. Its ecosystem of early literacy resources work together seamlessly to target skill gaps and provide the right instruction at the right time. mCLASS provides benchmark assessments, ongoing progress monitoring, and voice recognition technology to comprehensively support each student65533;s literacy development.

**SCOPE AND SPECIFICATIONS OF THE PROPOSAL**

*Your response value:*

**Amplify Reading**

Through an adaptive learning map and nearly 50 skill games, students receive practice and explicit and systematic reading instruction in the five pillars of literacy that research has identified as essential for fluent reading with good comprehension: Phonological Awareness, Phonics, Fluency, Vocabulary, and Comprehension. After a brief introduction to each activity, students are given repeated opportunities to practice these skills with varied stimuli. They receive immediate feedback for their responses and are given more explicit instruction in areas that are challenging. The instruction provided incorporates documented principles of effective instructional delivery; the activities engage students in multiple opportunities to practice critical skills at an appropriate pace with consistent feedback and prioritize student engagement and motivation, helping students to see their own growth toward reading goals.

**SLAR**

Phonological and phonemic awareness skills advance in a systematic and explicit progression from the most simple (distinguishing and identifying environmental sounds) to the most complex (identifying and pronouncing beginning and ending sounds in words and blending words with 3 and 4 phonemes and 1 or 2 syllables.) Or, distinguishing and identifying the vowel sound to identifying and pronouncing beginning and ending sounds in words, and blending words with 5 vowels 4 consonant phonemes and 1 or 2 syllables. *Habilidades y Destrezas* is designed for students to develop fundamental decoding skills, while *Conocimiento* is designed for students to develop oral language comprehension and writing skills through oral language development of vocabulary, concepts and ideas using read-alouds and discussion. The two components work together to help students first to comprehend and construct common essential vocabulary in Spanish - both high-utility words, and also words from the content instructional areas.

**ELAR**

The Skills Strand in Grades K65533;2 focuses on building a strong set of foundational skills for early literacy students, aligned to standards. The Skills Strand provides comprehensive systematic, and explicit instruction in foundational skills, including print concepts, phonological awareness, phonics, word recognition, and fluency; language skills, including vocabulary development, conventions of English, syntax, spelling, and grammar; reading comprehension; and writing instruction. Amplify Texas Skills instruction provides systematic instruction in synthetic phonics built on a detailed scope and sequence to ensure that students are exposed to the 44 sounds of the English language and 240 elements of the written code.

Students are taught phonics using the most frequent spelling patterns first to maximize the words students can read and move into engaging, well-written, decodable texts early in the program. In Grades 3-5, basic and advanced phonics code is reviewed and focus on more complex foundational skills.

Tiered vocabulary words are introduced with each lesson, and students have opportunities to apply new vocabulary. Teachers foster structured and informal discussions so students become accustomed to using complex vocabulary in a scaffolded and supported context.

<b>FORM 1295 - CERTIFICATE OF INTERESTED PARTIES</b> Pursuant HB 1295 (2015), the addition of section 2252.908 of the Government Code, all awarded vendors must fill out electronically, with the Texas Ethics Commission's online filing application <a href="https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm">https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm</a> . The law states that a governmental entity or state may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties (Form 1295) to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The Texas Ethics Commission has adopted rules requiring the business to file Form 1295 electronically with the Commission. This form must then be signed and attached to the Response Attachments, prior to any business transaction. If your company is publicly traded you do not need to complete this form. Please note the following helpful hints and instructions in completing the form Box 1: Please enter the business entity filing form, city, state, and country of the business entity's place of business. Box 2: Please enter Dallas ISD Box 3: Please use Dallas ISD's solicitation (bid) number as the identification number being requested and the contract name as a description of goods or services.

**NOTIFICATION OF CRIMINAL HISTORY**

Texas Education Code, Chapter 44, Subchapter B, Section 44.034, Notification of Criminal History, reads as follows: (a) A person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony. (b) A school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract. (c) This section does not apply to a publicly held corporation. For more information please visit the Dallas ISD website at <https://www.dallasisd.org/Page/80706>.

<p><b>CRIMINAL BACKGROUND CHECKS/SEARCHES</b></p> <p>Texas Education Code (TEC) 22.0834 and 22.08341 states that a contractor that provides services to a school district or charter school must be fingerprinted before beginning work, if the contractor 1) will have continuing duties related to the contracted services, and 2) will have the opportunity for direct contact with students. Additionally, the law requires that a contractor certified to a school district or charter school that it has received all criminal history information for its employees who provide services for the school. Pursuant to 22.08341(c), the requirement does not apply to a contractor that performs construction, alteration, or repair of an instructional facility if the Contractor uses separate sanitary facilities, installs a barrier fence, and has a policy that employees may not interact with students or enter areas used by students. Schools may fingerprint a contractor and/or Contractor's employees using the Local Education Entity (LEE) Fast Pass option. The Contractor shall agree to have individuals printed with the LEE pass, and also create subscriptions in the DPS FACT Clearinghouse under the authority of TGC 411.097/Public Law 92-544. The Contractor, however, will not be able to view the results through the DPS Clearinghouse. The Contractor shall bear the burden and cost of the Contractor obtaining a national, fingerprint-based criminal history check. A contractor or sub-contractor may not work on District property or any location the District deems a place where students are regularly present when: A) They have been convicted of a felony or misdemeanor involving moral turpitude, as defined by Texas law. B) They have charges pending, they have been convicted, received probation, or deferred adjudication of any of the following: 1. Any offense against a child 2. Any sex offense 3. Any felony offense involving controlled substances 4. Any felony offense against property 5. Any other offense the District, in its sole discretion, believes might compromise the safety of student, staff, property, or reputation of the District by the employment of the Contractor. A vendor's violation of this section shall constitute substantial failure.</p> <p>Does the Vendor agree?</p> <p>Type</p> <p>.....</p> <p>Acceptable Values</p> <p>I agree to comply with the rules of the State of Texas and requirements of Dallas ISD regarding fingerprinting requirements of contractors. include a general description of the conduct resulting in the conviction of a felony. The District may terminate any resulting agreement if the District determines that the person or business entity failed to provide notice as required by this paragraph or misrepresented the conduct resulting in the conviction.

The above requirement is required for all suppliers who will provide a service to Dallas ISD and will be on District property. Awarded Suppliers who do not have direct contact with students must have background checks and badges and must be done through the supplier's company or the District's third-party provider, Field Control Analytics at [www.fcbackground.com/clientsignup](http://www.fcbackground.com/clientsignup) using project code: VENDISD15 or be issued by the supplier's company. (This company may change at the sole discretion of the district.) Vendors who have direct contact with students must meet the laws and requirements of the State of Texas. Direct contact is defined as the potential for any interaction with a student either in person or virtual.

<p><b>INTERLOCAL AGREEMENT ("Rider") CONSENT FORM</b></p> <p>Dallas ISD is a member of the Educational Purchasing Cooperative of North Texas (EPCNT). Members of EPCNT add this possible rider to their solicitation documents. If the Vendor chooses "YES"; to allow EPCNT members to "ride" this Agreement (if any) the following will apply: Governmental entities utilizing Internal Governmental contracts with the Dallas ISD will be eligible, but not obligated, to purchase materials/services under the contract(s) awarded as a result of this solicitation. All purchases by a governmental entity other than Dallas ISD will be billed directly to that governmental entity and paid by that governmental entity. Dallas ISD will not be responsible for another governmental entity's debts. Each governmental entity will order its own material/service as needed. A list of current members is available at <a href="http://www.epcnt.com">http://www.epcnt.com</a>. If "NO" is selected, there is no adverse impact on the evaluation of the Offeror's proposal to Dallas ISD.</p> <p><b>1. Interlocal Agreement Clause</b> With a vision of cooperating to improve their procurement power on like products and services, the EPCNT became a reality in 2002 through the coordinated efforts of North Texas public school districts. EPCNT is comprised of public school districts, charter schools, and Region Service Centers located in the Region X and XI Education Service Center areas.</p> <p><b>2. Authority</b> EPCNT is based on the authority contained in the Interlocal Cooperation Act, Texas Government Code Section 791 et seq. and in Subchapter F, of Chapter 271 of the Texas Local Government Code. The provisions of Chapter 791 of the Texas Government Code and the provisions of Subchapter F, of Chapter 271 of the Texas Local Government Code are incorporated in this Master Agreement and this Master Agreement shall be interpreted under those laws.</p> <p><b>3. Duties of the Members</b> agree to undertake the following, from time to time, as may be appropriate:</p> <p>a. Coordinate and host multi-governmental entity solicitations for purchase of goods and services from third-party vendors, as may be determined from time to time to be cost-effective and provide efficiencies as consolidated purchases.</p> <p>b. Make available specifications, documents, software, procedures, and related items in connection with bidding and purchasing processes.</p>

<b>PROPOSAL REQUIREMENT - REQUIRED RESPONSES</b>
<p>c. Actively participate in and provide support to meetings and other activities conducted by the EPCNT.</p> <p>d. Maintain as confidential, subject to the Texas Public Information Act, the information supplied by Parties to the EPCNT and deemed by the EPCNT to be confidential.</p> <p><b>4. Purchasing Authority</b></p> <p>a. All district or cross-district contracts for the purchase of goods and services, regardless of whether formed as a result of EPCNT activity or interaction shall be directly between the Members or Participants or combinations of the Parties and Vendors providing goods and services to the associated governmental entities.</p> <p>b. The EPCNT, in and of itself, shall not have any authority to make purchases of goods and services directly with vendors or contractually binds its Members or Participants to any third-party agreements for the purchase of products and services.</p> <p>c. The EPCNT shall be governed by the laws of the State of Texas respecting independent school districts.</p> <p><b>5. the best value to the District.

You must propose line item pricing where applicable. All unit prices on items shall be completed. A notation of "Price to be determined", "On Request", "see attached" or "discount percentage" (%) only will be deemed as non-responsive and will not be considered for award. "No Bid" must be completed for each item not being bid. All pricing shall be firm at the time of a sale during the life of the contract and must conform and comply with the proposed pricing in response to this solicitation. The vendor can not respond as a "No Bid" on all lines but provide a discount only, this will deem your response as nonresponsive.

**DEVIATIONS AND EXCEPTIONS**

**NO DEVIATIONS OR EXCEPTIONS**

I certify that there are NO deviations or exceptions from the attached specific terms, conditions, specifications, and required forms.

**DEVIATIONS/EXCEPTIONS TO TERMS, CONDITIONS, AND/OR STATEMENT OF WORK**

If the Offeror desires any exception/deviation from any portion of the solicitation document, those exceptions/deviations must be clearly noted below. The offeror will provide reference to the particular page, paragraph, and sentence and provide the Offeror's proposed changes to the page, paragraph, and sentence in this section of their response.

**Offerors who list deviations to the Terms, Conditions, and/or Statement of Work contained in this solicitation may result in an Offer being deemed nonresponsive.** The District reserves the right to consider minor deviations. The following provisions are prohibited and are non-negotiable: Indemnification by the District of a vendor or supplier, arbitration, automatic renewals, the venue outside of Dallas County, Texas, and governing state law that is not listed as Texas. If the Offeror desires any exception/deviation from any portion of the solicitation document, those exceptions/deviations must be clearly noted below. The offeror will provide reference to the particular page, paragraph, and sentence and provide the Offeror's proposed changes to the page, paragraph, and sentence.

The District reserves the discretion to determine whether the proposed deviations render the Offer nonresponsive. The District reserves the right to reject any use of the Offeror's terms and conditions of any kind, including web links to any online terms and conditions, or use of the Offeror's form of agreement.

Offeror requests the following exceptions/deviations to the solicitation's terms, conditions, and/or statement of work.

**FEDERAL REQUIREMENTS (EDGAR)**

The following certifications and provisions are required and apply when Dallas ISD expends federal funds for any contract resulting from this procurement process. Pursuant to 2 C.F.R. 200.326, all contracts, including small purchases, awarded by the District and the District's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

**(A) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.**

Pursuant to Federal Rule (A) above, when DALLAS ISD expends federal funds, DALLAS ISD reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event

**(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be affected and the basis for settlement. (All contracts in excess of \$10,000)** Pursuant to Federal Rule (B) above, when DALLAS ISD expends federal funds, DALLAS ISD reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Vendor in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or purchase order; (2) make any payments owed; or (3) otherwise perform in accordance

with the contract and/or the procurement solicitation. DALLAS ISD also reserves the right to terminate the contract immediately, with written notice to vendor, for convenience, if DALLAS ISD believes, in its sole discretion that it is in the best interest of DALLAS ISD to do so. Vendor will be compensated for work performed and accepted and goods accepted by DALLAS ISD as of the termination date if the contract is terminated for convenience of DALLAS ISD. Any award under this procurement process is not exclusive and DALLAS ISD reserves the right to purchase goods and services from other vendors when it is in DALLAS ISD's best interest.

**(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.**

Pursuant to Federal Rule (E) above, when DALLAS ISD expends federal funds, Vendor certifies that Vendor will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by DALLAS ISD resulting from this procurement process.

**EVALUATION PROCESS**

**OVERVIEW**

Each Offer will be analyzed and evaluated by a panel selected by the District.

a.the District intends to award a contract to one or more responsive, responsible Offerors that provide the best value to the District. Pursuant to Dallas ISD Board policy and applicable law, "best value" is determined according to the price and non-price criteria listed in the attached Evaluation Criteria Score Sheet and weighted at the sole discretion of the District. By submitting an Offer, an Offeror acknowledges the District's right to establish scoring criteria that comply with applicable law as well as the District's bid protest procedures outlined in the General Terms and Conditions below.

b.Even when an award to a single Offeror is envisioned, the District reserves the right, in its sole discretion, to make awards to multiple Offerors (or to make no award at all).

c.Non-responsive or disqualified Offers will be not eligible for award consideration. Reasons for being deemed non-responsive or being disqualified include but are not limited to not meeting requirements of the proposal, receipt of Offer after date/time posted; failure to sign the Offer; failure to include one or more required forms; Offeror being debarred; and/or excessive exceptions to Statement of Work, Terms and Conditions of Service/Term Agreement.

<b>EVALUATION PROCESS</b>
d. The District reserves the right to reject any use of Offeror's terms and conditions of any kind, including web links to any online terms and conditions, or requiring the use of Offeror's form of agreement.
<b>BEST VALUE INCENTIVES</b> Consideration will be given to Offerors who include best value incentives or value-adds at no additional cost to the District. To be considered, these incentives/value-adds must be clearly disclosed.
<b>DISCUSSIONS/NEGOTIATIONS</b> a. During the evaluation of certain Offers, the District may hold discussions/negotiations with Offerors that are in the competitive range to provide the goods and/or services described in this solicitation. Discussions will NOT be conducted for Competitive Sealed Proposals. Discussions may be conducted for responses to Requests for Proposals or Requests for Qualifications; however, the District reserves the right to award (or not award) a Contract without conducting any discussions; therefore, Offerors are encouraged to provide their best Offer initially and not anticipate the opportunity to make a better Offer later. b. If conducted, discussions will be held at a place, time, and date as determined by the District. All associated costs incurred by an Offeror in connection with the discussions will be at Offeror's own expense. Additionally, a selected Offeror(s) may be required to attend one or more Board Briefings and/or Board Meetings to address questions about the Offer and any resulting Contract. Such attendance shall be at no additional cost to the District.
<b>FINAL EVALUATION STATEMENT - POINTS</b> In addition to the evaluation criteria noted in the General Terms and Conditions, as part of "any other relevant factors," the District will use the following criteria in the evaluation. Final evaluations of this proposal will be based on the Texas Educational Code 44.031(b). Dallas ISD will not award bids based on low price alone. Criteria and points will be used in weighting which proposal(s) offer the best overall product, service, and references for the intended purpose. <b>1. Purchase Price - 40 Points</b> <b>2. Reputation of the vendor and vendor's goods or services - 10 Points</b> <b>3. Quality of the vendor's goods or services - 15 Points</b> <b>4. Extent to which the goods or services meet the district's needs - 15 Points</b> <b>5. Vendor's past relationship with the district - 0 Points</b> <b>6. The impact on the ability of the District to comply with laws and rules relating to MWBE. This will be applied to your MWBE Participation and is worth 20 points broken down as follows:</b> 6a. Offeror demonstrated a commitment to the district's M/WBE program by providing enhancements to the administration of the proposer's contracting process for the work to be done by M/WBE firms. Examples of this commitment may include any of the following: expedited payments, Mentor-Protege Programs, early release of retainage, expanding the pool of diverse subcontractors to firms that have not done business with the district, etc. - <b>3 points</b> 6b. Offeror submitted a list of two (2) M/WBE subcontractor references. - <b>2 Points</b> 6c. Offeror is a certified M/WBE OR Offeror submitted a Joint Venture Agreement with a certified M/WBE OR Offeror submitted a Prime Subcontractor Teaming Agreement with a certified M/WBE. - <b>5 points</b> 6d. Offeror submitted a diverse list of certified M/WBE subcontractors, sub-consultants, or suppliers that meets or exceeds the district's M/WBE aspirational goal in meaningful roles OR Offeror demonstrated outreach designed to meet the M/WBE project goals with a diverse M/WBE team of subcontractors, suppliers, and sub-consultants. - <b>5 points</b> 6e. Offeror demonstrated a comprehensive framework and understanding of the district's M/WBE program by providing a written and detailed M/WBE compliance plan, designating a high ranking individual who will be responsible for M/WBE contract compliance, monitoring, and reporting, ensuring no unauthorized changes to M/WBE subcontractors, adhering to the M/WBE commitment and subcontractor payment terms, executing the M/WBE subcontracting schedule, complying with the district's M/WBE Program guidelines, etc. - <b>5 points</b> <b>7. Total long-term cost to the district - 0 Points</b> <b>8. Principal place of business or number of employees in the State - 0 Points</b> <b>9. Other relevant factors specifically listed in this proposal - 0 points</b>

<b>PROPOSAL GENERAL INFORMATION</b>
<p><b>BACKGROUND INFORMATION / BASIC REQUIREMENTS</b></p> <p>1. In this document, "Offer" refers to a response to any District solicitation (CSP, RFP, or RFQ). "Bid" refers specifically to a response to a solicitation." Proposal" refers specifically to a response to an RFP or RFQ. "Offeror" refers to the person or entity submitting an Offer, but may be used synonymously with &amp; "Vendor" "Contractor", "Provider", or similar. Additional terms are defined throughout this document.</p> <p>2. Although Offeror is required to sign the Offer upon submission, no enforceable contract will be formed unless (i) the District's Executive Director of Procurement formally accepts the Offer in writing; (ii) the Contract is approved as to form by the District's Office of Legal Services; and (iii) the District's Board of Trustees or designee has granted all approvals required by Dallas ISD Board Policy. Once an enforceable Contract has been formed, the District will issue a formal Purchase Order to request the provision of goods and/or services under the Contract. Vendors must not deliver (or incur any costs or expenses preparing to deliver) any goods and/or services prior to the Offeror's receipt of a formal Purchase Order from the District. Oral orders and/or any order requested through any method other than a formal Purchase Order are invalid and the District will have no financial responsibility for same.</p> <p>3. The Effective Date of any Contract resulting from this solicitation is the date that award is approved by Dallas ISD's Board of Trustees or designated representative unless otherwise indicated within this document. Once the Board/District approves an Offeror for an award, weeks or months may pass before the District issues a formal Purchase Order requesting the delivery of goods and/or services under the Contract. In some cases, the District may never issue a Purchase Order under the Contract. The District intends to act in good faith and communicate with Offeror about the issuance of Purchase Orders.</p>
<p><b>Dallas ISD DEMOGRAPHICS</b></p> <p>Dallas ISD sits in the heart of a large, diverse, and dynamic region with a metropolitan population of 6.5 million people in the 12 counties in North Central Texas. Dallas ISD comprises 384 square miles and encompasses the cities of Dallas, Cockrell Hill, Seagoville, Addison, Wilmer, and parts of Carrollton, Cedar Hill, DeSoto, Duncanville, Farmers Branch, Garland, Grand Prairie, Highland Park, Hutchins, Lancaster, and Mesquite.</p> <p>a. The District is the second-largest public school district in the state and the 14th-largest district in the nation.</p> <p>b. Dallas ISD is proud of its award-winning schools, outstanding teachers and staff, hard-working students, and committed parents and volunteers. The District serves approximately 155,000 students in pre-kindergarten through the 12th grade, in 230 schools, employing nearly 20,000 dedicated professionals.</p> <p>Type</p> <p>.....</p> <p><i>Your response value:</i></p> <p>Read.</p>
<b>INSTRUCTIONS AND REQUIREMENTS for OFFER SUBMITTAL</b>
<p>The Offeror shall furnish to the District all information and data requested by the District to determine the Offeror's qualifications and responsibilities. The requested information must be placed on the forms provided or other separate pages where indicated--do not reference other parts of the Offer or other documents. All</p>

<b>PROPOSAL GENERAL INFORMATION</b>
<p>answers must be complete and stand-alone. Failure to follow directions using the outline below or not using the forms attached may result in the Offer being disqualified or deemed nonresponsive.</p> <p>The Offerors shall familiarize themselves with the relevant conditions in the material and labor markets prior to the submission of an offer. By submitting an offer, Offeror represents that it has familiarized itself with existing and future market conditions and agrees to perform in full accordance with the Offer.</p> <p>The Offeror must comply with any insurance, bid bond, or liability requirements of the District as noted elsewhere in this solicitation document.</p> <p>The Offeror must include pertinent literature/documentation for the proposed products/goods or services. If Offeror requires a credit application or similar documentation to conduct business with Dallas ISD after awarding of any Contract, those documents must be submitted at the time of Offer submission.</p>
<b>ATTRIBUTES</b>
<p>There are attributes, including this one, associated with this proposal. Some are notes and require no response, but most have a required response. The Respondent agrees and shall comply with all provisions and specifications stated in this RFP unless otherwise stated in the Deviations/Exceptions attribute. Any additional costs or factors to meet a specification or requirement must be noted in the Deviation/Exceptions attribute. Failure to respond to these requirements may result in the proposal being considered non-responsive and not meeting the specification of the RFP. Proposals that are deemed non-responsive or not meeting the specifications shall NOT be evaluated for consideration.</p>
<b>COMMUNICATIONS STATEMENT</b>
<p>Contact between vendors and Dallas ISD personnel during the proposal process or evaluation process is prohibited. Any attempt by vendors during the proposal process to contact Dallas ISD personnel may result in disqualification. All communication shall go through the Procurement Services Department during this competitive process. All questions received and the corresponding answers will be distributed to all bidders. No verbal responses will be provided. The deadline for questions about this proposal is stated in the Bid Activities and the district will not respond to questions after this time and date. Response to questions will be posted in the form of an addendum to this proposal. The vendors will be responsible for checking the website for any posted addenda.</p>
<b>AWARD STATEMENT</b>
<p>This Proposal may be awarded to one or multiple vendors by line item, section, or package as determined to be the best value to Dallas Independent School District. Dallas ISD reserves the right to negotiate with any or all respondents and accept or reject any and/or all proposals, waive any formalities and/or irregularities, and award in the best interest of the District.</p>
<b>ORAL STATEMENT</b>
<p>No oral statement of any person shall modify or otherwise change, or affect the terms, conditions, or specifications stated in the resulting contract.</p>

**CONSIDER AND TAKE POSSIBLE ACTION TO AUTHORIZE, NEGOTIATE, AND ENTER INTO AGREEMENTS WITH RECOMMENDED VENDORS FOR ONLINE PLATFORM, MATERIALS, SUPPLIES, AND SERVICES FOR DISTRICTWIDE USE (NOT TO EXCEED \$28,000,000 OVER FIVE YEARS / GENERAL OPERATING/SPECIAL REVENUE FUNDS)**

• Justification:	To provide high-quality instruction to all students, whether on-campus or distance learning, Dallas ISD has to further equip teachers and students with the best resources and online tools available to support learning. This RFP will ensure that the students will be able to engage with rigorous, high-quality digital learning tools that support accelerated learning in reading and math in particular, along with other content areas. Without these tools, the learning experience would be very limited, particularly for distance learning students.
