Quaver's Curriculum Terms & Conditions For Use

Welcome to **Quaver's Beyond Marvelous General Music Curriculum**, presented to you and operated by QuaverMusic.com, LLC., a Tennessee limited liability company whose address is: 1706 Grand Avenue, Nashville, Tennessee 37212 (hereinafter referred to as "Quaver"), a division of Mastran Music Group, Inc. A portion of QuaverMusic.com containing premium content is dedicated to the online curriculum.

Quaver and any and all entities that control, are controlled by, or are affiliated or under common control with Quaver are collectively referred to herein as "we," "us," or "our." "Quaver Sites" shall mean any and all portions of the Internet site of Quaver or its affiliated entities, including the Teacher-Only areas, Kids Website, Informational areas, and others. This document sets forth the terms and conditions for use of the Quaver Beyond Marvelous General Music Curriculum.

1. DEFINITIONS

For the purposes of this curriculum license agreement (hereinafter the "Agreement"), the following terms shall have the following meanings: "Service(s)" shall mean the use of the online curriculum and improved versions of the materials introduced by Quaver from time to time during the Term. The "Accredited User" shall mean the licensee who has purchased one of two types of non-exclusive user license to access the Quaver Online Curriculum. "Site License" shall refer to a physical location of each campus where the Curriculum will be utilized. "Teacher License" shall refer to a specific number of teachers granted access to the Curriculum, for use at multiple locations. "Participating Students" means the participating student-users who access the Services pursuant to this license purchased by the accredited user. Accredited User and Participating Students shall be referred to collectively as "Users." The curriculum is comprised of many elements including recorded music, scores, interactive whiteboard screens, videos, quizzes and more, collectively referred to as "material."

2. BACKGROUND

This non-exclusive Accredited User License is granted by Quaver for the access and use of the Website by the Accredited User and the Participating Student(s). The Agreement conveys Users with access to premium content on the Website for the purpose of providing an interactive classroom teaching experience in the complete Quaver Curriculum.

By clicking a box on below (on initial login) which states that the Accredited User accepts or agrees to these terms and, having satisfied the licensing fee noted below, the Accredited User acknowledges and agrees to the terms and conditions for use of this Agreement.

3. QUAVER ACCREDITED USER USAGE AND PRIVILEGES

3.1 • The Quaver Curriculum contains 36 fully developed lesson plans for each grade. Each lesson plan contains 30 to 45 minutes of content and activity, plus an additional 30 minutes of extended material. Additionally, access shall be granted to the Online Quaver Classrooms, Bach's Brain, World Music and other areas as Quaver deems appropriate.

3.2 • Each License (including the licenses activated during the gratis period) entitles the Accredited User to access the Services hereunder for an unlimited number of Participating Students on an unlimited number of computer terminals located at the school where the Accredited User uses the license. This Accredited User purchasing a Site License, may designate additional teachers on the same campus to receive individual user names under these Terms and Conditions. Accredited Users purchasing a Teacher License will receive a unique code for each campus where the Quaver Curriculum is authorized to be utilized, at no additional cost. Teachers in the same system, but from different physical campuses must purchase separate licenses.

3.3 • Each Accredited User License entitles the Accredited User's Participating Students to the use of the non-downloadable audio and video content as well as the limited reproduction of the materials published on the Website. The Accredited User is hereby granted access and may use the online tests for their participating students, print the pages for their participating students, and use the teaching presentations and audio-visual content for their participating students.

3.4 • Quaver reserves the right to reasonably change the contents of the curriculum, including the resequencing and contents of any module or lesson plan at any time during the license period.

4. TERM AND LICENSING FEE

4.1 • The effective term for each Accredited User License purchased hereunder shall be referenced on the Accredited User's invoice, quote, or purchase order (Attachment A), unless stated otherwise. Each Accredited User License may be renewed for separate and successive years. The number of consecutive years purchased defines the term (sometimes referred to hereunder as the "Term").

4.2 • This Agreement may be terminated at any time upon mutual written agreement of the parties: by Quaver upon thirty (30) days written notice to the Accredited User for failure by the Accredited User to make payment due, unless such failure is cured within the fifteen (15) day period; or by either party if (i) the other party is in material breach of its obligations hereunder and such breach continues uncured for a period of thirty (30) days after written notice to the defaulting party, or (ii) the other party makes a general assignment for the benefit of its creditors, appoints or has appointed a receiver, trustee in bankruptcy or similar officer to take charge of all or part of its property, files or has a petition filed against it in any bankruptcy (unless such petition is dismissed within sixty (60) days of its filing), and/or is adjudged insolvent or bankrupt.

4.3 • The price for each Accredited User license is referenced on the Accredited User's invoice, quote, or purchase order (Attachment A) (hereinafter the "Licensing Fee"). Prices do not include applicable sales or use taxes, which shall be separately stated on our invoices and borne by The Accredited User, unless the User is Tax Exempt. Acceptable forms of payment for the Licensing Fee to Quaver are check, credit card or other methods with prior approval.

4.4 • Quaver reserves the right to change the prices at any time for future products. The price stated on the Accredited User's invoice, quote, or purchase order (Attachment A) is guaranteed for the term of this license, if executed within the active quote period provided by the Quaver Key Account Representative (usually 90 days from submission.)

5. ACCREDITED USER WARRANTY

5.1 • The Accredited User warrants that all Services under this Agreement are only for use in the authorized School (or for preparation for School lessons) and that such Service shall not be sold nor shall title thereto be transferred to other schools or districts, other homeschool co-op groups, retail music stores, or parties other than the license rights specifically set forth in this section. Quaver shall retain all copyright, ownership right, title, and interest in the Service and any and all materials furnished to the Accredited User pursuant to this Agreement.

5.2 • Except for 'Customized Lessons' created by the District or Teachers, or as separately agreed to by Quaver, the Accredited User may not modify in any way, or copy, or otherwise reproduce in any form, any programs or other materials (including any printable materials and other documentation) supplied with the Service or purchased hereunder. The Accredited User will comply with the policies and requirements of Quaver in effect from time to time with respect to (i) the licensing by Quaver of its proprietary, protected, or confidential material and information including the QuaverMusic.com Terms of Use and Privacy Policy of the Websites and (ii) any products which are subject to one or more license agreements between Quaver and third parties.

5.3 • The Services hereunder will not provide the Participating Student to anything other than the premium content associated with the Quaver Curriculum. In the event Quaver discovers any attempts by a Participating Teacher to intentionally circumvent the controls placed on the Website to prevent access to unauthorized areas, such actions will be grounds for immediate termination of the remaining Term of the accredited user licenses hereunder which may be effected by written notice from Quaver to the Accredited User, and no refunds will be granted. The Accredited User agrees to immediately inform Quaver in writing of any suspected violations or concerns under Federal COPPA and FERPA laws and the Accredited User hereby agrees to fully cooperate with Quaver's requests to remedy any such violations as soon as possible.

5.4 • The minimum hardware requirements needed to operate the Quaver Curriculum are as follows:

- *Mac or PC with 4 gigabytes of Random Access Memory minimum*
- *Projector or display screen suitable for classroom use*
- *Adobe Flash Software, Version 11.4 or better*
- *Any Internet browser capable of supporting the above Flash Version*
- *Any Operating System that supports the above Flash Version, including but not limited to:*
 - *Mac: OSX 10.6 or above*
 - *PC: Windows XP or above*

In order to maintain our high standards, these provisions may change, as technology improves.

5.5 • The Accredited User acknowledges that QuaverMusic.com is an internet-based application and that access to a high-speed Internet connection is integral to the site's performance. Several factors can affect bandwidth including but not limited to: time of day, number of points of access, and service provider limitations, and that QuaverMusic.com cannot be held responsible for the quality of an end-user Internet Connection. The Accredited User agrees to maintain their system in line with the technological specifications above.

5.6 • The Accredited User also acknowledges that any material outside of the Quaver Resources linked, copied or incorporated into Custom Lessons has the approval of the copyright owner for this application. QuaverMusic.com does not own or control outside content in Custom Lessons accessed by schools or districts and cannot seek copyright permissions for material imported from outside the Quaver resources.

6. ACCOUNT, PASSWORD, AND SECURITY

The Accredited User is responsible for maintaining the confidentiality of the Accredited User's account identifier and password. The Accredited User shall be responsible for all uses of its account, whether or not authorized by the Accredited User. The Accredited User agrees to immediately notify Quaver of any unauthorized use of its account or any other breach of security. The Accredited User agrees to exit from its account after usual usage. The Accredited User understands and agrees that the technical processing and transmission of any content may involve transmissions over various networks and changes to conform and adapt to technical requirements of connecting networks or devices.

7. NO RESALE OF SERVICE

Except as otherwise authorized herein, the Accredited User agrees not to reproduce, duplicate, copy, sell, resell, or exploit for any commercial purposes, any portion of the Service, use of the Service, or access to the Service without the specific written permission of Quaver.

8. PROPRIETARY NOTICES

This software and documentation constitutes several published and unpublished works and contains valuable trade secrets and proprietary information belonging to Quaver. None of the foregoing material may be copied, duplicated, or disclosed without the express written permission of Quaver.

9. PRODUCT WARRANTY, DISCLAIMER OF WARRANTIES

Quaver warrants to the Accredited User that the Service purchased hereunder shall be free from defects in materials and workmanship and shall conform in all material respect to the specifications, provided the Service in question has been used in accordance with ordinary industry practices and conditions. Quaver does not warrant that the operation of the service will be uninterrupted or error free and includes, but is not limited to bandwidth restrictions by school's provider, firewalls, server malfunctions and other problems. Whenever possible, Quaver will forewarn all users of any planned outage for maintenance or acknowledged problem. The foregoing express warranties are limited to Quaver and are not transferable and are in lieu of any other warranty by Quaver with respect to Services furnished hereunder. Quaver grants no other warranty, either express or implied, including without limitation, warranties of merchantability or fitness for a particular purpose.

10. MISCELLANEOUS

10.1 • The rights and obligations of either party shall not be transferable without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed. All obligations of the parties herein shall be binding upon their respective successors or assigns.

10.2 • The Agreement shall be governed by, and its terms shall be construed in accordance with, the laws of the State of Tennessee. The exclusive venue for disputes hereunder shall be the state and federal courts located in Nashville, Tennessee.

10.3 • Quaver shall have the right to modify the terms of this agreement, as needed (as reasonably determined by Quaver), in order to comply with Federal COPPA and FERPA laws and any other relevant legislation including but not limited to any state or federal privacy laws.

10.4 • To the extent permitted by the Constitution, Quaver and Accredited User hereby indemnify the other and save and hold the other harmless from any and all claims, causes of action, damages, liabilities, costs, losses, and expenses (including legal costs and reasonable outside attorneys' fees) arising out of or connected with any claim, demand or action which is inconsistent with any of the warranties, representations, covenants, or agreements such party has made in this agreement including but not limited to any claim brought by a Participating Student (or the student's family) or any third party as a result of a failure of Licensee to obtain a valid parental consent/waiver which duly authorizes the Participating Student's participation in the Services and use of the Website pursuant to the accredited user license.

10.5 • No waiver or breach of any term or condition of this Agreement shall operate as a waiver of any other breach of such term or condition, or of any other term or condition, nor shall any failure to enforce any provisions hereunder operate as a waiver of such provision or any other provision hereunder.

10.6 • In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, except in those instances where removal or elimination of such invalid, illegal, or unenforceable provision or provisions would result in a failure of consideration under this Agreement, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provisions had never been contained herein.

10.7 • All notices hereunder shall be in writing and shall be deemed to have been duly given and shall be effective only upon receipt. A copy of all notices to Quaver hereunder shall be sent to Abby Hollingsworth, 1706 Grand Ave, Nashville, TN 37212.

10.8 • Headings used in this Agreement are for the purpose of reference only and are not to be considered in construction or interpretation of this Agreement.

10.9 • This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same instrument.

10.10 • This Agreement, including the Exhibits, contains the entire Agreement between the parties relating to the subject matter hereof. All prior agreements and all prior negotiations, representations, and communications relating to the same subject are superseded by this Agreement. This Agreement may not be modified other than by a written document signed by an authorized representative of each party.

I understand and agree to these Terms and Conditions for the length of my License Agreement.
