Thanks Alexis. Can you review your cameras to see if you can identify who posted these?

Good morning lovely humans!

I wanted to give you all a heads up that these have started showing up on our campus here at IMS. I've been removing them whenever I see them. The kids are planning a walkout at IHS for October 7th at 11:20 AM in solidarity for Palestine.

They've also been writing the information out in chalk on the sidewalks and near the parking lots. I've been trying to keep tabs on it to remove it. Just wanted you to be aware that they are starting to plaster the information everywhere.

Alot of the posters have been glued to the flag poles, light poles and the fences. I attached the link to the article if you haven't already received it. I know Jacob sent this information out to the IHS team a week or so ago.

Students plan antisemitic Oct 7 walkout, Issaquah SD stays silent

The Issaquah School District refuses to condemn an antisemitic walkout planned on October 7. This district has an antisemitism problem.

I'll let you know if I see any other shenanigans that you all should be made aware of. I hope your Thursday goes quietly and smoothly!
