Thanks for taking the time to chat yesterday, I really appreciate it.

I'll be in touch with [REDACTED] to discuss the ideas we discussed.

Here's the latest language, I believe.

The opportunity for an individual at an educational institution to participate in all educational, counseling and vocational guidance programs, all apprenticeship and on-the-job training programs and all extracurricular activities without discrimination because of sex, sexual orientation or gender identity, a physical or mental disability, ancestry, national origin, race, color or religion is recognized and declared to be a civil right. [PL 2021, c. 366, §18 (AMD) .]
