Teacher Preparation Program

Fellows must attend a Minnesota Professional Educator Licensing and Standards Board-approved (PELSB-approved) teacher preparation program. To check whether your planned program is PELSB-approved, please visit: <https://mn.gov/pelsb/aspiring-educators/preparation-programs/approved-programs/>.

Which PELSB-approved program do you attend, or will you be attending? If you do not yet attend one of these programs, please explain your plans to select and enroll in one (We can help, if you need assistance.). As long as applicants are attending a PELSB-approved program, the decision of which school/program they decide to attend will NOT be factored into their selection as a Fellow. *

Your answer

While it's not a requirement for the program, a goal for the grant is to help increase the racial and ethnic diversity of the teaching staff in our Minnesota Educators Partnership Districts. Do you anticipate returning to teach in one of the MEP Districts someday? Please explain. *
