**Subject:** Possible February/BLM at School Project with Buddies?

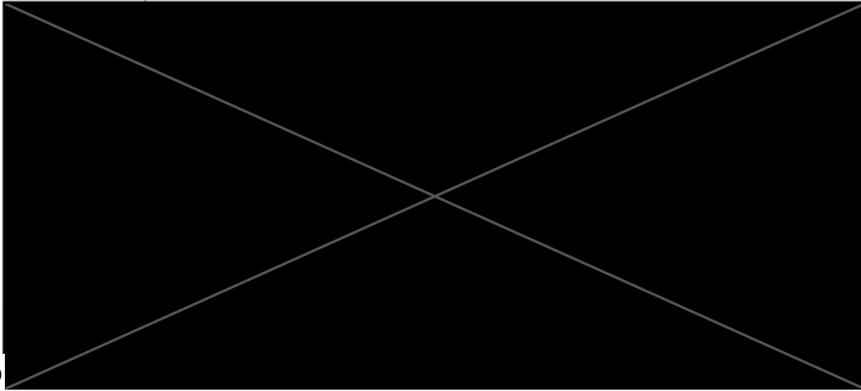

Hi,

Came across this when getting my BLM email together for staff and thought it could be nice to do with our buddies.

Thoughts?

Happy Friday!

I love this!

Here is a website that I have used in the past for BLM in Schools week in the past. There are a lot of resources for all grade levels included.

Great! Just downloaded it and will print it at school.

Thanks for the link. It is one I have for the staff email.

Enjoy your weekend!

**Subject:** Black Lives Matter at School Week of Action Resources

Hello Owls,

February 3 - 7<sup>th</sup> is the 8<sup>th</sup> annual DC Area Black Lives Matter at School Week of Action. Over the years we have had a few staff members implement lessons, read alouds and discussions aligned with the 13 guiding principles. We believe this is a great experience and extension to our SEL work. It also supports our work around student belonging data.

If you are interested, please see links below to websites, booklists, lessons and resources.

Hey

With [REDACTED] being out sick now I'm finding it hard to find time to put our BLM pieces together.

You said you had some students that liked doing that?

If so could I give the papers to you or send a kiddo to come get them?

I have already added their names to the fronts and numbered the back so we know the pieces after cutting them out.

Thanks!
