# REALITY IN TWIN CITIES SCHOOLS:

- Several instances of ICE within blocks of a school.
- Only one instance (Roosevelt) of ICE on school grounds.
- Huge amounts of students have to miss class out of fear of ICE. They risk truancy or unenrollment.

**Lots of misinformation and AI videos are spreading around.**

We are seeing this surge in ICE agents because we live in an **authoritarian** regime.

ICE is being used to terrorize and divide everyday people, while **billionaires** get richer.

We are going to talk about how to keep people safe. But at the end of the day, **there is no safety until we get rid of ICE and Trump.**

# KNOW YOUR RIGHTS (GENERAL)

- If you are stopped by ICE, you...
  - Have the right to remain silent
  - Do not need to answer questions about where you're born
- ICE might lie or disguise themselves.
- Do not lie to ICE or give false documents. If you try to run away, ICE will try to hold that against you and will escalate their force.

# KNOW YOUR RIGHTS (SCHOOLS)

- Schools are not sanctuaries. ICE is legally allowed to enter schools and school buses...
- ...but **only with a signed judicial warrant** verified by administrators.
  - In Minneapolis Public Schools these warrants must be verified by the Davis Center.
  - *We do not yet know practices of other school districts.*

 **It is extremely important that you do not let strangers in the building. ICE might try to sneak in in plainclothes.** 

## If ICE is on your school grounds (code orange)

- Record whatever you see (do **NOT** livestream)
- Help people get inside the school to stay safe.
- Don't escalate the situation. **Do not physically get into fights with ICE agents.**

## If ICE is in your school (hasn't happened, code red)

- Lock doors, stay in classrooms

# TRUANCY & UNENROLLMENT

- If you miss 15 days of school in a row, you can get unenrolled
- If a student is absent in fear of ICE presence, make sure the teacher does **NOT** mark ICE as the reason for their absence.

DEFENDING  
EDUCATION

## MINNESOTA GOVERNMENT CAN DO MORE...

- Extend permit enrollment even after 15 days of absences.
- Emergency busing for high schoolers.
- Pause standardized testing because of unequal education.

## KEY TAKEAWAYS:

- If you are stopped by ICE, you...
  - Have the right to remain silent
  - Do not need to answer questions about where you're born
- Do not let strangers into your school building.
- Do not escalate situations where ICE is present.
- There is a lot of misinformation on the internet!
